Meeting spaces

Building relationships is a key part of the financial services industry, and a lot of that happens in meeting spaces. Create flexible, functional areas that can support everything from one-on-ones between team members to stylish boardrooms to host customers.

Solution details

Dell 4K Interactive Touch Monitors offer up to 20 points of touch along with a dedicated space to insert an OptiPlex Micro PC* at the back for a seamless, all-in-one experience. Users can write or draw on the large interactive display with virtually zero lag, enabling real time collaboration.

D

E Logitech Rally Camera

E

*Optional, sold separately.

Training spaces

Empower real-time learning by ensuring that your training rooms are as attractive as they are functional, with displays designed for presentations and powerful computing solutions.

Solution details

Create a training experience that allows new employees to learn how to use similar technology to what they will use on the job, post-training. Learning best practices and processes in their training environment can improve ramp-up time and help them feel more confident when they start in their new role.

Dell recommended solution

- A Dell 55 4K Conference Room Monitor - P5524Q
- B Precision 3680 Tower
- C Latitude 5330

Additional accessories and options

- D Chief Large Fusion Fixed Wall Display Mount for P5524Q -LSA1U

1 Dell has the industry's most secure commercial PCs with built-in below the OS security features that our competitors cannot match. Based on Dell internal analysis, September 2023. Applicable to PCs on Intel processors. Not all features available with all PCs. Additional purchase required for some features.

2 Based on Dell internal analysis, January 2024. Most-manageable commercial PCs when comparing the systems management capabilities of Dell Update Processes, Dell Manageability Solution capabilities and integrations with 3rd Party Management Solutions, with competitor update processes, systems management solution capabilities and integrations with 3rd party management solutions. 3rd Party Management Solutions - Microsoft Intune, Workspace ONE, are separate purchases. Intel vPro, to support out-of-band systems management, is an additional system configuration upgrade.
