

Storage Direct Protection for Dell PowerStore

Experience the power of integrated end-to-end data protection

Combine the advantages of **PowerStore**

+

PowerProtect Data Domain

Achieve data recovery confidence with an **all-in-one** solution that gets you **up and running in just 90 seconds**.

How It Works

1-2-3...and you're protected.

Efficient Technology : By the Numbers

Set up time via integrated UI¹

Data reduction guarantee via PowerStore²

Data reduction guarantee via PowerProtect Data Domain³

BENEFITS OF STORAGE DIRECT PROTECTION

Simplify Operations

Streamline operations by avoiding multi-vendor complexity.

- Protect data on-premises and in the cloud
- Extend self-service protection beyond the storage system
- Gain insights from integrated, AI-powered health monitoring

Increase Efficiency

Lower expenses with industry-leading data reduction. Guaranteed.

- Maximize storage utilization and reduce hardware costs with powerful data reduction guarantees
- Reduce operational costs for power, cooling and rack space

Amplify Data Security

Stay ahead of security threats and keep critical data safe from attacks.

- Decrease risk with a validated Zero-Trust security model
- Secure data integrity through immutability
- Isolate critical data with an integrated cyber vault

Future-Proof Your Enterprise

Prepared for the future, no matter what it brings.

- Accelerate innovation with integrated, modernized storage and protection management
- Remain current with automated software updates

Storage Direct Protection

Simplify your data protection and security with the combined power of PowerStore and PowerProtect Data Domain

Want to get running in 90 seconds? [Watch our demo](#)

¹Set up cloud or on-prem backup in just 90 seconds natively within PowerStore manager. Based on Dell analysis, January 2023

²5:1 average rate guaranteed across customer applications. Rates for individual applications may vary. See Future-Proof program terms and conditions for details.

³55:1 Data Protection Deduplication Guarantee. Requires customer signature and purchase of a ProSupport, ProSupport Plus or with the Mission Critical maintenance agreement. Applicable products include Data Protection products only.
