## Securely retire your devices

Let Dell help you securely and responsibly retire your old IT equipment — regardless of brand — to allow for a seamless transition from old to new technology, while protecting both your business and the planet.

[Securely retire your devices >](#)

## Simplify fleet management

The Dell Lifecycle Hub Suite (LCH) eases complexity in managing an organization's entire device fleet. It combines warehousing and inventory management with configuration services, repairs, returns and asset recovery into one solution that delivers a ready-to-work experience for end users with devices preconfigured to user personas. This frees up IT resources to focus on organization priorities and maximizes end-user device utilization over the full PC lifecycle.
