

Streamline endpoint management with a secure & flexible solution

Services for Microsoft Intune

Manage all your platforms & devices from a single solution

Modern IT departments face many challenges while managing and securing diverse devices, applications, and data for a hybrid workforce. Compliance demands, bring-your-own-device policies and evolving security threats add to the complexity.

Dell Services for Microsoft Intune streamline IT operations, unlocking the full potential of Microsoft's trusted platform for Unified Endpoint Management (UEM) helping organizations achieve greater efficiency and robust security.

Harness Dell expertise to drive the outcomes you need

Rely on expert guidance from Dell Technologies to optimize management of your end user computing devices. Our Microsoft certified professionals will first assess your unique environment, gather requirements, and create a tailored plan for success. We handle implementation, migration, testing, and prepare your team for seamless operations.

Simplify cross-platform device management

Meet increasing hybrid work demands

Secure devices & apps from a single solution

Provide a frictionless user experience

Services for Microsoft Intune

Manage and secure endpoint devices, apps and data from a single solution that natively integrates with your Microsoft technology stack. Dell services for Microsoft Intune are structured as one offer with three progressive tiers designed to deliver increasing value, to:

- Establish a strong foundation with a tailored Intune setup that drives adoption and operational readiness. Empower your organization to hit the ground running.
- Expand with compounding features to build a scalable Intune environment. Strengthen security, simplify updates, and embrace zero-trust principles for a resilient-future ready infrastructure
- Plan and launch Intune full conversion to unify and optimize your Intune environment for large-scale operations. Simplify UEM consolidation, ensure seamless migration, and gain actionable insights for lasting success.
