

Protect your investment with Dell Future-Proof Program

Designed to maximize your investments across Dell Technologies storage, data protection, HCI, networking and server solutions, the Future-Proof Program offers guaranteed outcomes that lower your risk as you navigate your IT future.

An easy decision for easy operations

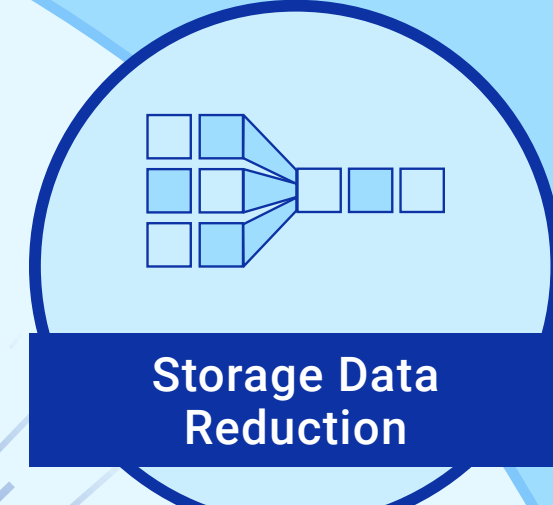

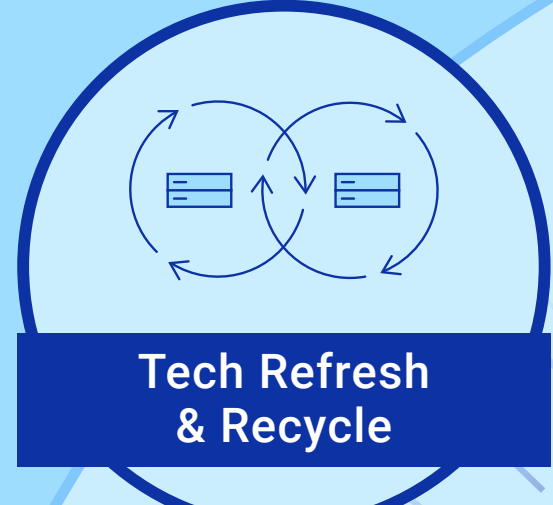

3-Year satisfaction

We deliver on our claims.
We'll make it right.¹

Tech refresh & recycle

Recycle legacy storage and servers at no charge when you purchase new Dell storage.⁸

Data reduction

It's guaranteed. We include advanced data reduction technology to reduce your storage footprint.²

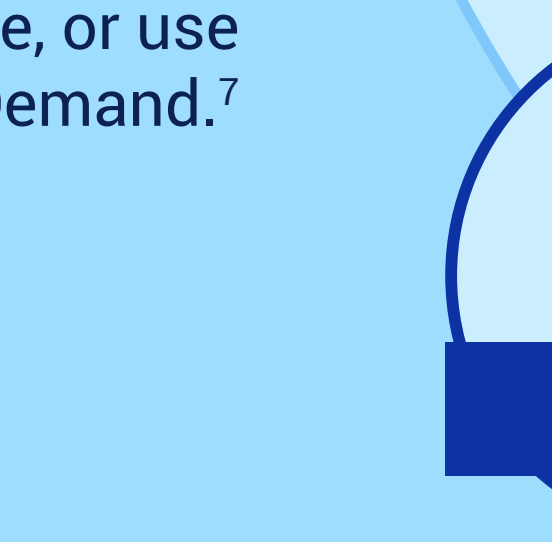

Flexible payment

Predictability, flexibility and choice, they're designed into our programs whether you buy, lease, finance, or use APEX Flex on Demand.⁷

Cyber recovery

Dell Technologies provides assurance to assist in recovery of your data from ransomware and qualifying cyber events.³

Intelligent infrastructure insights

CloudIQ AIOps software combines proactive monitoring, machine learning and predictive analytics to simplify and speed operations for all your Dell infrastructure products.⁶

Data protection deduplication

Use recommended best practices from Dell Technologies to get your data reduction guaranteed for data protection appliances.⁴

Anytime upgrade

Stay continuously modern and ensure your workloads are always running on the latest technology with the industry's most flexible controller program.⁵

We've got you covered.

Have more time to focus on critical business needs and let Dell Technologies handle the rest.

Future-Proof Program

¹ Requires purchase of a Three-year ProSupport agreement. Compliance is based on product specifications. Any refund will be prorated.

² Storage Data Reduction Guarantee: Requires customer signature and purchase of ProSupport for Infrastructure 4-hour or NBD support agreement, a ProSupport Plus for Infrastructure support agreement, or a valid support contract with a valid Dell support partner, agreed with and approved by Dell Technologies.

³ Cyber Recovery Guarantee: Applies to PowerProtect DD9900, DD9400, DD6900 and DD6400. Requires minimum purchase of storage capacity, DD Retention Lock Compliance Edition software license, and services as indicated in the Terms and Conditions. Signed Terms and Conditions and other eligibility criteria apply. For more information contact your Dell sales representative.

⁴ Data Protection Deduplication Guarantee: Requires customer signature and purchase of services as indicated in the Terms and Conditions. Applicable products include Data Protection products only.

⁵ Anytime Upgrade is available for purchase with PowerStore at POS only, and requires a ProSupport or ProSupport Plus contract. Upgrades available starting 180 days after invoice. Based on Dell analysis comparing the highest available program offers for controller upgrades, June 2022.

⁶ CloudIQ is available at no additional charge for products with ProSupport and ProSupport Plus contracts.

⁷ Dell Flexible Payment Solution modules enabled by Dell Financial Services (DFS).

⁸ With a qualifying purchase, recycle legacy IT storage or servers at no additional charge.

TERMS AND CONDITIONS APPLY. Valid only on direct purchases or through participating Channel Partners who offer reciprocal program benefits to their customers. See your Dell Technologies sales representative or Channel Partner for details.
