to payback on
investment

CUSTOMER QUOTE

“The IT environment is very simple with Dell PowerFlex. Everything is integrated, everything is supported by the Dell Technologies, and we don’t need to have the knowledge of our infrastructure. Dell Technologies supports us with that. We have a small team, and it’s important to focus our team on things other than on infrastructure. We are confident with Dell Technologies products.”

TOTAL COST OF OPERATIONS PER 100 TB OVER 3 YEARS
