

# Innovate with Confidence

Tailored payment solutions for AI enabled technology, with lifecycle management options that allow you to optimize your data center footprint

In the ever-evolving landscape of AI-enabled infrastructure, our tailored payment solutions provide you with the flexibility, scalability, and risk mitigation strategies necessary to maximize your return on investment.

Available to customers at any stage of growth, we can create a repayment schedule aligned to project milestones.

A 24 month Technology Rotation term provides flexibility to stay current with the latest AI advancements.\*\* Options at the end of the term include:

### Upgrade

**Return** your solution and we will help you prepare for a seamless upgrade to the latest technology.

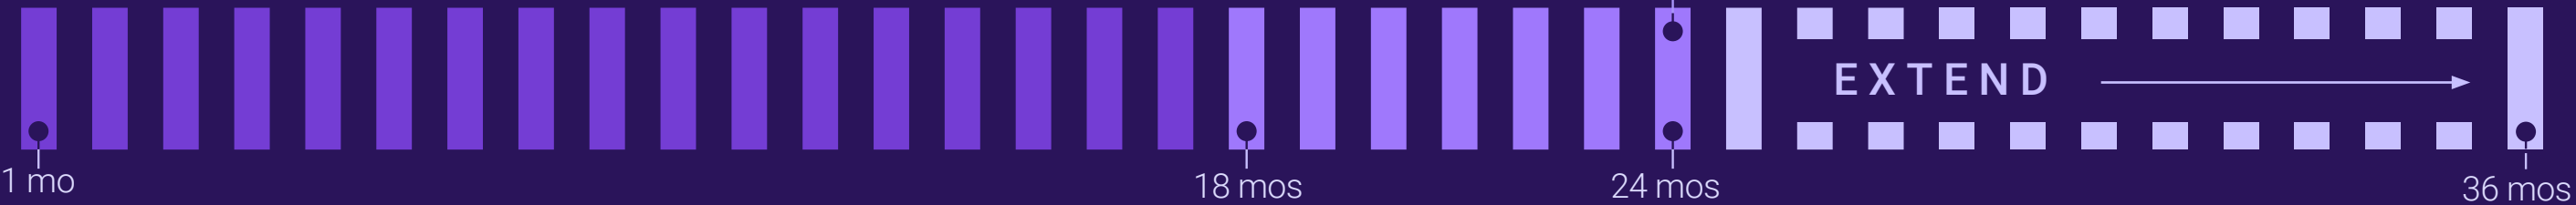

### Extend

**Extend** your agreement for an additional 12 months for maximum planning flexibility.

### Own

**Buy out** your agreement at the amount disclosed to you at the beginning of the contract.

DELL PAYMENT SOLUTIONS: FLEXIBILITY TO DEPLOY THE TECHNOLOGY YOU NEED NOW
