

TECHNOLOGY OWNERSHIP

Improve cash flow.
Spread the cost
of ownership
over time.

Take ownership of your technology future

With convenient terms between 12-60 months, you have the flexibility to meet the needs of your organization. When you spread payments over time, you can shift away from a traditional cash intensive acquisition, allowing you to redirect your valuable cash toward more pressing short- or mid-term priorities. Leveraging the right payment solution can help maximize your technology budget and preserve working capital.

Simple structure

Choose a simple finance structure that makes it easy to budget and plan for spreading costs over time

Improve cash flow

Remove the burden of expensive upfront costs for IT hardware acquisition and preserve cash for other investments

Complete solutions

Enjoy affordable technology investments through budgeted payments for hardware, software and services

Dell Payment Solutions: Flexibility to deploy the technology you need now

Technology Ownership

A simple solution to technology acquisition with a range of features and benefits:

Enhance cash flow

Enhance cash flow by adopting an effective solution that eliminates the need for large upfront investments. With our Technology Ownership model, organizations can preserve their cash reserves for other critical investments, such as research and development, marketing, or expansion.

Greater flexibility

By choosing the technology and payment terms that best suit operational needs, organizations gain greater flexibility and are empowered to optimize their operations.

Easy-to-understand financing structure

A simple and easy-to-understand financing structure facilitates effective budgeting. Our simplified finance solution enables organizations to optimize their cash flow, reduce financial risk, and maintain financial stability while investing in advanced technology solutions.

Convenient one-stop shopping

Get the convenience of one-stop shopping for hardware and software IT solutions, regardless of the manufacturer. Our end-to-end financing solution streamlines the procurement process and reduces administrative burdens.
