

Productivity at your fingertips

Dell Wireless Keyboard | кв500

All-day productivity

Enhance your all-day productivity with this RF 2.4GHz wireless full-sized keyboard. Programmable keys allow you to gain quick access to your frequently used shortcuts.

Work in comfort

Work with one of the quietest wireless keyboards whether on a conference call or in proximity with others. It comes with spill-resistant keys that can withstand accidental splashes. Tilt legs on the keyboard offer two adjustable angles so you can choose your preferred typing position.

Superb reliability

Built to last, this wireless keyboard has one of the industry's leading battery lives at up to 36 months.¹ Dell Advanced Exchange Service² offers you added peace of mind, shipping you a replacement the next business day during your 3-year Limited Hardware Warranty³ period. Rigorous testing allows your keyboard to work perfectly with your Dell systems.

- 1 Based on Dell analysis of battery life usage model calculations, Nov. 2020. Results vary depending on use, operating conditions and other factors.
- 2 Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies.
- 3 For a copy of the Limited Hardware Warranty, write to Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see dell.com/warranty.

Productivity at your fingertips

Enhance productivity with this well designed keyboard, powered by one of the industry's leading battery lives of up to 36 months.¹

Tested and certified to work seamlessly with Dell systems

128-bit AES (Advanced Encryption Standard)

encryption on keyboard helps protect your data transmission across your devices, providing you with a secure connection while typing.

Advanced Exchange Service

gets you a replacement shipped the next business day should your existing one become faulty within the 3-year warranty period?

1 Based on Dell analysis of battery life usage model calculations, Nov. 2020. Results vary depending on use, operating conditions and other factors.

2 Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies.
