Dell Optimizer
We make it intelligent. You make it yours.

In a work-from-anywhere world, powering the world’s most intelligent commercial PCs* is not enough, Dell Optimizer is extending personalized intelligence to the rest of the Dell ecosystem.

Dell Optimizer lets you accomplish anything with built-in intelligence that learns and adapts to the way you work.

Elevate your work experience with personalized performance extending from your OptiPlex to the devices within your workspace.

Hear and be heard better than ever

**Intelligent Audio** reduces background noise and optimizes audio experiences, now with more impressive features: **Neural noise** and **echo cancelation** intelligently removes background noises and echoes of the participants in your conference calls. Voice Quality Monitoring checks the quality of your voice during conference calls and notifies you when the quality is poor.

Unmatched connectivity

**ExpressConnect** delivers the world’s first simultaneous multinetwork connection** for faster transfers and downloads. It also optimizes connectivity and bandwidth for clearer, more productive conferencing.

Seamless workspace transitions and enhanced privacy

**ExpressSign-in** wakes your PC when upon approach and locks it when you step away. **Intelligent Privacy** texturizes your screen when an onlooker is detected and dims it when you look away. (Available on select OptiPlex All-in-One configurations with optional 5MP IR Camera; also available on select Dell monitors and webcams with proximity sensors).

Improved app performance

**ExpressResponse** analyzes how you use your preferred apps to boost performance.

An intelligent ecosystem

With Dell Optimizer, optimization and data collection follow a stringent process to ensure your privacy and security. Enjoy easy pairing and management of your Dell monitors and accessories with the integration of **Dell Display Manager** and **Dell Peripheral Manager**.

With Dell Optimizer, optimization and data collection follow a stringent process to ensure your privacy and security.
