Dell Pro Smartcard Keyboard

MODEL: KB813

**Secure and convenient**

Access secured PCs or networks directly from your keyboard. The Dell Pro Smartcard Keyboard has an integrated smart card reader for easy authentication at your fingertips.

**Comfortable and quiet**

Work comfortably with low-profile keys, a full-size keyboard and a detachable palm rest. And reduce distractions with a keyboard designed for a smooth, quiet typing experience.

**Reliable**

Wired USB connectivity helps provide secure, fast data transfers while eliminating the need for batteries. A spill-resistant keyboard safeguards against the inevitable beverage mishap.
