Dell 27 Video Conferencing Monitor
P2724DEB

The world’s #1 monitor company*

* Dell monitors are #1 Worldwide for 9 years! Source: IDC Worldwide Quarterly PC Monitor Tracker, Q2 2023. From 2014 to 2023.
Connect like you're there

World’s first 27-inch QHD video conferencing monitor certified for both Microsoft Teams and Zoom.¹

**Effortless collaboration**

Look your best, always, with an intelligent webcam that includes a 2K QHD Sony STARVIS™ sensor. Experience automatic focus, light adjustments, enhanced visual clarity. Communicate clearly with integrated dual array echo cancellation mics and two 5W speakers.

**Easier connections**

Secure interactions with automatic camera disable and get to work fast with Dell ExpressSign-in that senses when you are close and signs you in via Windows Hello. Launch Team meetings effortlessly on this Certified for Microsoft Teams monitor.

**Peak productivity**

Streamline your workspace with a USB-C Hub monitor that connects you to the Ethernet and a host of other devices.

¹ Based on internal analysis, June 2023.
DELL 27 VIDEO CONFERENCING MONITOR - P2724DEB

Connect like you’re there
Look great always with an intelligent webcam that includes a 2K QHD Sony STARVIS™ sensor and multi-element lens to deliver crystal clear images.

Communicate clearly with optimally positioned built-in echo cancellation mics and two 5W speakers.

Amazing visual clarity
See consistent, vibrant colors of up to 1.07b of 99% sRGB across seamless, wide viewing angles enabled by In-Plane Switching (IPS) technology.

Launch Team meetings effortlessly by pressing the touch controls on this Certified for Microsoft Teams monitor.

Built-in ComfortView Plus reduces harmful blue light emissions without compromising color.

Adjust to your comfort
Tilt, swivel, pivot and height adjustable (150mm max).

Connect to multiple devices with USB-C (up to 90W power delivery), RJ45 (Ethernet), super speed USB 5Gbps and quick access ports.

Environmental standards
ENERGY STAR®, TCO Certified Edge, EPEAT® Gold registered.

View the Dell 27 Video Conferencing Monitor – P2724DEB in 360°
Make the world take notice

The intelligent webcam includes a 2K QHD Sony STARVIS™ sensor and multi-element lens to deliver crystal clear images.

Communicate clearly with built-in dual echo cancellation mics and two 5W speakers strategically positioned at the top of the monitor for an immersive audio experience.

Certified for Microsoft Teams, you can join meetings and respond to notifications with a touch of the quick access control panel.

Look great, always

Experience automatic focus with AI auto framing, true color even in harsh lighting with Digital Overlap HDR, and images without motion blur with 3D/2D Video Noise Reduction. Design how you want others to see you by customizing your webcam settings via Dell Peripheral Manager.

Record and playback high quality video content in QHD at 30 frames per second (fps), or FHD at 60 fps. Tilt the adjustable camera (0-20°) to the angle you want and customize how much show of your surroundings by adjusting the field of view to 78°.

Effortless security

The manual webcam shutter and convenient microphone mute button on this Zoom Certified monitor helps ensure that you're only communicating what you want to share, when you want to share it.

Get to work fast with Dell Express Sign-in, featuring a proximity sensor that detects your presence when you are close and uses Windows Hello™ to automatically log you in. When you walk away, it locks your system for increased security.

Dell Peripheral Manager is available for download on dell.com/support/dpem, compatible with Windows 10 and above. Visit the site for a full compatibility list and OS support.

1 The Windows Hello™ feature on this Dell Video Conferencing Monitor logs you in automatically on compatible Dell PCs. Please check your Dell PC to ensure support of this feature.
Peak productivity with multitasking features

Stretch productivity and multitask efficiently with built-in KVM.

**Multitask better**

Connect to two PC sources and Auto KVM will seamlessly switch controls over to the second connected PC. Use KVM (keyboard, video and mouse) to control both PCs with a single mouse and keyboard.

**Expand your productivity**

Enhance efficiency by adding a second monitor via Dell Express Daisy Chaining through DisplayPort connectivity.
Connectivity that drives productivity

USB-C Hub monitors offer extensive connectivity options including USB-C (up to 90W power delivery), RJ45 for wired Ethernet access, super speed USB for fast data transfers, and more.

Streamline your workspace
Reduce cable clutter with USB-C connectivity that transmits data and video while delivering up to 90W to power a wide range of laptops.

Connect to your network
Get stable Ethernet connection to your network with RJ45.

Quick convenience
Quick-access USB-C and super speed USB 5Gbps ports enable fast data transfers and charging of up to 15W of power.

Easy to manage
Get enhanced manageability with MAC Address pass-through, PXE Boot, and Wake-on-LAN conveniently built in.

Jumpstart productivity
Simply press the monitor power button, and the power sync feature seamlessly starts your monitor and connected Dell PC.

---

1 Dell adheres to standard USB-C specifications and protocol. Functionality with non-Dell USB-C systems may vary.
2 Via quick access USB-C port.
3 The power sync feature on this Dell USB-C Monitor enables start up and wake-on-demand on compatible Dell PCs. Please check your Dell PC to ensure support of this feature.
4 MAC Address pass-through functionality is tested to work with most Dell PC systems. Functionality on non-Dell systems may vary.
Designed for you

This stylish video conferencing monitor fits both home and office environments.

Easy-to-use

Navigate the onscreen menu and adjust settings with a convenient joystick control.

Work comfortably

Experience made-for-you comfort by tilting, swiveling, pivoting and adjusting the height of your monitor (150mm max).

Designed with purpose

The small base and elegant cable management system hides cords within the monitor riser.
Dell Display Manager

Improved multitasking
Organize your screen with Easy Arrange and save profiles with Easy Arrange Memory.

Easy navigation
Share a single keyboard, mouse and monitor between multiple PCs with USB KVM wizard. Quickly switch between PCs with the quick-access menu or hot keys.

Smooth deployment
Manage your fleet of monitors with features that are automatic, comprehensive and compatible with several tools.

Convenient customization
Quickly access your favorite features and functions with the menu launcher and hot keys.

Download Dell Display Manager

---

1 KVM (keyboard, video, mouse) is available on select monitors only. For monitors that don’t support USB KVM, the input source feature is an alternative. You can share multiple input sources to one monitor, but you cannot share one keyboard and mouse. For more information on KVM, please refer to the respective product specifications.

2 Tools including SCCM/IntTune and Command Line Interface scripts.
Recommended Accessories

**Dell Wireless Headset | WL3024**
Experience clear communication with this wireless AI-based noise cancellation headset, designed with a focus on productivity and comfort for all day conferencing.

**Dell Pro Wireless Keyboard and Mouse | KM5221W**
Elevate productivity with this wireless full size narrow bezel keyboard and ambidextrous mouse combo with up to 36 months¹ battery life.

**Dell Single Monitor Arm | MSA20**
Attach your monitor to the arm, virtually tool-free. Enjoy flexibility and advanced cable management features in a small footprint.

¹ Based on Dell analysis of battery life usage model calculations, Nov. 2020. Results vary depending on use, operating conditions and other factors.
Sustainability on Dell Monitors

Environmental standards

Dell monitor uses 85% PCR (Post-consumer Recyclable) plastic and 90% recycled aluminum in the design\(^1\) and meets the latest environmental standards such as ENERGY STAR®, and TCO Certified Edge, and is EPEAT® Gold\(^2\) registered.

Eco-conscious packaging

Dell monitors ship in boxes made with 100% renewable content that is also 100% recyclable.\(^3\)

Energy conservation

Save energy with PowerNap\(^4\), a feature that dims or puts your monitor to sleep when it’s not in use.

---

1. By weight of the total weight of plastic parts in product. Excludes printed circuit boards, labels, cables, connectors, electronic components, optical components, ESD components, EMI components adhesives, and coatings.
2. EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
3. Applies to all Dell monitors launched since 2023. Made from FSC mix sources which is a mix of materials from FSC certified forests, recycled content and/or FSC controlled wood. Based on internal analysis, August 2023.
