P SERIES MONITOR

DELL 32 4K USB-C HUB MONITOR – P3223QE

Designed for you

This sleek monitor features a small base and cable management design that hides cables in the monitor riser, for a clutter-free desk space at your office or home office.

Designed with purpose

The small base and elegant cable management system hide cords within the monitor riser.

Easy-to-use joystick control

Navigate the on-screen menu and adjust settings with the easy-to-use joystick control.

Adjust to your comfort

Experience made-for-you comfort by tilting, pivoting, swiveling, and adjusting the height of your monitor (150mm max).
DELL 32 4K USB-C HUB MONITOR – P3223QE

Enhanced productivity

Dell Display Manager enhances everyday productivity through comprehensive management tools, giving you optimal front of screen experience, efficient display management, and easy, effortless multitasking.

Productive at every level
Easy Arrange allows you to easily tile multiple applications across one or more screens with 38 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities.

The key to convenience
Shortcut keys can save you even more time, letting you easily configure your display management settings so you can get to work faster.

Seamless transitions
The auto-restore feature remembers where you left off, so applications will go back to where you left them, even after you’ve unplugged.

More ways to manage
Asset management reports allow IT managers to quickly capture and track monitor information as well as configure multiple monitors at once through a single setup.

Sustainability on Dell Monitors

Environmental standards
This monitor is made of 85% post-consumer recyclable plastic in the design\(^1\) and meets the latest environmental standards such as ENERGY STAR®, and TCO Certified Edge, and is EPEAT® Gold\(^2\) registered.

Eco-conscious packaging
Designed with the environment in mind, Dell commercial monitors come in 100% recyclable cardboard packaging.\(^3\)

Energy conservation
Save energy when your monitor is not in use with PowerNap\(^4\), a feature that dims or puts your monitor to sleep when it’s not in use.

---

\(^1\) By weight of the total weight of plastic parts in product. Excludes printed circuit boards, labels, cables, connectors, electronic components, optical components, ESD components, EMI components, adhesives, and coatings.

\(^2\) EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

\(^3\) The outer box/corrugate cushion packaging and recycled fibers in Dell commercial monitor packaging (excluding D-series) are made from corrugate and virgin cardboard materials. Excludes foam cushioning and plastic bags.

\(^4\) Enabled by Dell Display Manager.
