

A better view from anywhere

Dell 32 4K USB-C Hub Monitor | **P3223QE**

The world's # 1 monitor company*

* Dell monitors are #1 Worldwide for 9 years! Source: IDC Worldwide Quarterly PC Monitor Tracker, Q2 2023. From 2014 to 2023.

A better view from anywhere

See more details and expand your productivity with a 4K hub monitor like no other.

Extend your screen at the office, at home or on-the-go with this convenient, compact display.

See more details, get more done

Experience your more details and clarity in you work. This 31.5" monitors with 3840 x 2160 4K resolution enables you to multitask efficiently by displaying multiple applications.

Stay connected in any workspace

Be it hotdesking in the office or at home, you can streamline your workspace with this USB-C Hub monitor that wakes and powers your laptop with up to 90W, connects you to the Ethernet and a host of other devices, and is thoughtfully designed with a cable management system that reduces workspace clutter.

Uncompromised color and comfort

Optimize eye comfort with ComfortView Plus, a built-in low blue light screen that reduces harmful blue light emissions without sacrificing color. Easy-to-use with full adjustability for better comfort all day.

See and accomplish more
See more details and enhance work efficiency with 4K (3840 x 2160) resolution on a 31.5" monitor.

Color consistency comes standard
See consistent, vibrant colors across a wide viewing angle enabled by In-Plane Switching (IPS) technology. With 99% sRGB coverage, you get precise colors right out of the box.

Enhanced manageability
MAC Address pass-through¹, PXE Boot and Wake-on-LAN are conveniently built in.

Productivity hub
Stay powered and connected with up to 90W power delivery via USB-C and extensive connectivity options like RJ45 for Ethernet connectivity — all in a clutter-free setup.

Optimize eye comfort with built-in ComfortView Plus
that reduces harmful blue light emissions without sacrificing color performance.

Adjust to your comfort
Tilt, swivel, pivot, and height adjustable (150mm max)

Easy-to-use joystick control
To navigate through the On-Screen Display (OSD) menu

Extensive connectivity
Easily connect to a variety of devices with extensive connectivity ports, including display port, HDMI, and quick access SuperSpeed 5Gbps USB ports.

Functional design
Features 3-sided ultrathin bezel design, a small base and improved cable management for a clutter free desk at your home or at your office.

Environmental standards
ENERGY STAR® TCO Certified Edge, EPEAT® Gold registered

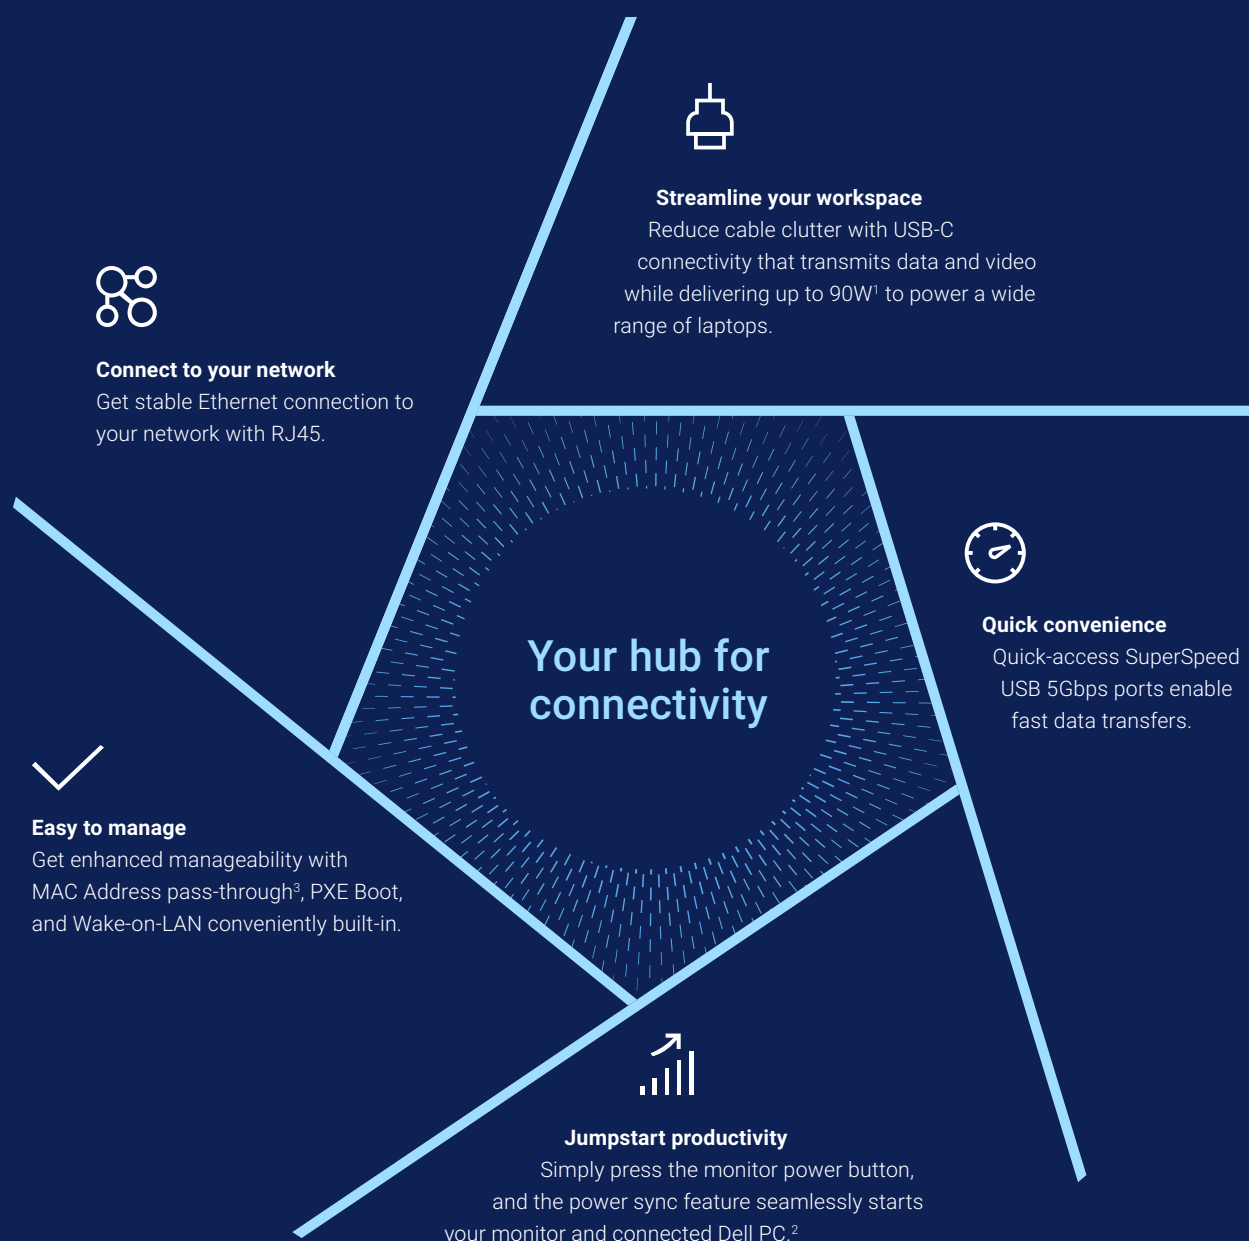

Jumpstart productivity
Power up your Dell PC through your monitor even with the laptop lid is closed with Dell Power Sync, available on select Dell PCs.**

** Dell Power Sync on your Dell USB-C Monitor is a feature that launches your system, even when your laptop lid is closed. It is currently available on select Dell PCs only. Please make sure to check your Dell PC to ensure compatibility of this feature.

¹ MAC Address pass-through functionality is tested to work with most Dell PC systems. Functionality on non-Dell systems may vary.

Connectivity that drives productivity

This USB-C Hub monitor offers extensive connectivity options including USB-C (up to 90W power delivery), RJ45 for wired Ethernet access, SuperSpeed USB for fast data transfers, and more.

¹ Dell adheres to standard USB-C specifications and protocol. Functionality with non-Dell USB-C systems may vary.

² The power sync feature on this Dell USB-C Monitor enables start up and wake-on-demand on compatible Dell PCs. Please check your Dell PC to ensure support of this feature.

³ MAC Address pass-through functionality is tested to work with most Dell PC systems. Functionality on non-Dell systems may vary.

Designed for you

This sleek monitor features a small base and cable management design that hides cables in the monitor riser, for a clutter-free desk space at your office or home office.

Designed with purpose

The small base and elegant cable management system hide cords within the monitor riser.

Easy-to-use

Navigate the on-screen menu and adjust settings with the easy-to-use joystick control.

Work comfortably

Experience made-for-you comfort by tilting, pivoting, swiveling, and adjusting the height of your monitor (150mm max).

Dell Display Manager

Productive at every level

Easy Arrange allows you to easily tile multiple applications across one or more screens with 38 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities.

The key to convenience

Shortcut keys can save you even more time, letting you easily configure your display management settings so you can get to work faster.

Seamless transitions

The auto-restore feature remembers where you left off, so applications will go back to where you left them, even after you've unplugged.

More ways to manage

Asset management reports allow IT managers to quickly capture and track monitor information as well as configure multiple monitors at once through a single setup.

Dell Premier Multi-Device Wireless Keyboard and Mouse | KM7321W

Multitask seamlessly across three devices with this premium full-sized keyboard and sculpted mouse combo with programmable shortcuts and 36-month battery life.¹

¹ Based on Dell analysis of battery life usage model calculations, Nov. 2020. Results vary depending on use, operating conditions and other factors.

Sustainability on Dell Monitors

Environmental standards

This monitor is made of 85% PCR (Post-consumer Recyclable) plastic in the design¹ and meets the latest environmental standards such as ENERGY STAR®, and TCO Certified Edge, and is EPEAT® Gold² registered.

Eco-conscious packaging

Designed with the environment in mind, Dell commercial monitors come in 100% recyclable cardboard packaging³

Energy conservation

Save energy when your monitor is not in use with PowerNap⁴ a feature that dims or puts your monitor to sleep when it's not in use.

¹ By weight of the total weight of plastic parts in product. Excludes printed circuit boards, labels, cables, connectors, electronic components, optical components, ESD components, EMI components adhesives, and coatings.

² EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

³ The outer box/corrugate cushion packaging and recycled fibers in Dell commercial monitor packaging (excluding D-series) are made from corrugate and virgin cardboard materials. Excludes foam cushioning and plastic bags.
