

Take your office everywhere in style.

Dell Pro 13-14 Plus EcoLoop Briefcase

MODEL: CC5425C

Bring your office everywhere with this sustainably made, classic briefcase featuring a modern design, several different storage compartments and complete protection.

EcoLoop™

Designed with the environment in mind

Dell EcoLoop™ labeled briefcase is produced with select materials and/or methods that reduce the environmental impact compared to traditional industry techniques. The briefcase's exterior main fabric is made with 100% OceanCycle Certified™ recycled ocean-bound plastic from approximately 8 recycled plastic bottles collected from ocean coastline or major waterways.¹

Complete protection

Built with 360° foam cushioning with anti-scratch nylux lining surrounding the dedicated laptop compartment while EVA+ foam cushioning on the back-panel offers shock resistance for ultimate on-the-go protection.

Made from a heavy-duty fabric that's water and dirt resistant, this briefcase is easy to maintain with wipe-clean bottom coating and keeps your items inside dry and well protected.

Capable carrier

This thoughtfully-designed, 3-sectioned briefcase comes with spacious compartment with purpose-built organizers for laptop, tablet or portable monitor, mouse, headset, other tech accessories and travel essentials for overnight business trip, and the reflective accents increase visibility in low light.

¹ Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.

Modern function. Classic design. Complete protection.

A mindful commuter's dream bag that's sustainable and packed with protection. Made with durable, weather-resistant and recycled materials, plus EVA+ foam cushioning to safeguard your tech while on-the-go. Our carrying cases are put through rigorous quality tests, including water resistance, strap and zipper strength and fabric abrasion, proving their sturdiness and long-lasting durability for the protection of your belongings.

Navigate airports and train stations easily with luggage pass-through

Go hands-free with the 2-way adjustable shoulder strap that is comfortable to wear

Reflective accents on both sides of the case provide increased visibility during low light commute hours

Multi-compartment and large storage capacity

Rear laptop compartment featuring 360° foam cushioning and bumper with anti-scratch nylux lining while EVA+ foam on the back-panel offers shock resistance for ultimate on-the-go protection.

Durable, water and dirt-resistant fabric with wipe-clean heavy-duty coating at the bottom

Main compartment with dedicated tablet sleeve
Conveniently store larger files and accessories in the spacious, zippered main compartment.

Front, expandable compartment with built-in accessories storage organizer.

A quick-access zippered front pocket is convenient for storing smaller essentials and accessing them quickly when needed.

EcoLoop™

Proudly OceanCycle Certified™¹

The exterior main fabric is made with 100% ocean-bound plastic from approximately 8 recycled plastic bottles collected from ocean coastline or major waterways.² This durable, yet sustainable fabric helps reduce our environmental impact while still protecting your tech gear and essentials while on-the-go.

Made with a **solution-dyeing process** for polyester that can generate up to **97% less greenhouse gas emissions**, water impact, and fossil fuels than traditional dyeing processes.³

The briefcase comes in packaging which is made of 100% recycled content in the hang tag, hang loop and plastic bag.

Dell Pro 13-14 Plus EcoLoop Briefcase protects Dell laptops up to 14"

¹ Only applicable on exterior main fabric.

² Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.
