

Built-in Collaboration Touch Controls

Dell Pro Premium Collaboration Keyboard

MODEL: KB900

World's first collaboration keyboard for Zoom and Microsoft Teams*

Make the most of every meeting with the world's first Zoom-certified* keyboard. Compatible with both Zoom¹ and Microsoft Teams², the dedicated touch controls³ let you collaborate effortlessly on your calls.

Collaborate effortlessly

The innovative touch controls³ compatible with Zoom¹ and Microsoft Teams² let you mute and unmute your microphone, toggle video on and off, share your screen and bring up the chat panel by double-tapping on the icons. You can swipe left or right across the icons to enable or disable them during a meeting and, once the meeting ends, the icons disappear from the keyboard.

Intelligent illumination

Smart backlighting with hand-proximity-detection lights up the keys as you get close, helping you to work better in any environment. Turns off in brighter conditions to conserve battery power.

Ultra-quiet typing

Get optimal type-feel without the noise thanks to the scissor-switch key design. Engineered to be satisfying and silent at the same time.

* Based on Dell analysis of publicly available information of competitive Personal Zoom Room keyboards, December 2023.

¹ Requires Windows OS with Dell Display and Peripheral Manager (version 1.6.4 or later) and Zoom (version 5.9.3 or later).

² Requires Windows OS with Dell Display and Peripheral Manager (version 1.7.2 or later) and Microsoft Teams (version 1.6.00.24078 or later). Supported only on Teams for work or school Windows desktop application. Requires Third-party App API to be enabled. For more information, refer to user's guide from dell.com/support.

³ Touch controls can only be engaged in one active meeting at any one time (either Zoom or Microsoft Teams).

Enhance collaboration and productivity

Adjustable tilt

Fast, rechargeable, long-lasting battery

Long lasting operation

Battery lasts up to twenty days¹ on a single charge, while a single minute of USB-C charging lasts a whole day.¹

Advanced Exchange Service gets you a replacement keyboard shipped the next business day should your existing one become faulty within the 3-year warranty period.²

Seamless and secure connectivity

The dual mode RF 2.4 GHz and Bluetooth[®] 5.1 connectivity lets you effortlessly connect and switch with up to 3 devices (two connections via Bluetooth[®] and one connection via RF dongle).

Securely pair the keyboard with your device with just one click⁴ with Dell Pair⁵ and with Dell Secure Link USB Receiver (RF) – the transmission is encrypted to keep your data safe.

Tune to your specifications

Dell Display and Peripheral Manager⁶ lets you customize your keyboard to elevate your workflow. Program shortcuts to gain instant access to frequently used applications or functions and enhance your productivity.

¹ Battery life calculation based on an assumption of an average use of 8 hours a day. Battery life may vary depending on user and computing conditions.

² Dell will send a replacement unit the next business day if deemed necessary after remote diagnosis. Find out more at www.dell.com/warranty.
