Productivity at your fingertips

Dell Pro Wireless Keyboard and Mouse | KM5221W
All-day productivity

Enhance your all-day productivity with this RF 2.4GHz wireless full-sized keyboard and mouse. Programmable keys and scroll wheel allow you to gain quick access to your frequently used shortcuts. The native 1600 DPI mouse offers preset DPIs of up to 4000 adjustable via the Dell Peripheral Manager, offering accurate tracking across a wide range of display resolutions.

Work in comfort

Work with one of the quietest wireless keyboards whether on a conference call or in proximity with others. Symmetrically designed, the wireless mouse is great for both left and right-handed users, is spill-resistant and can withstand accidental splashes. Tilt legs on the keyboard offer two adjustable angles so you can choose your preferred typing position.

Superb reliability

Built to last, this wireless keyboard and mouse combo has one of the industry’s leading battery lives at up to 36 months.1 Dell Advanced Exchange Service2 offers you added peace of mind, shipping you a replacement the next business day during your 3-year Limited Hardware Warranty3 period. Rigorous testing allows your combo to work perfectly with your Dell systems.

---

1 Based on Dell analysis of battery life usage model calculations, Nov. 2020. Results vary depending on use, operating conditions and other factors.
2 Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies.
3 For a copy of the Limited Hardware Warranty, write to Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see dell.com/warranty.
