

Silent as a mouse

Dell Pro Compact Silent Mouse

MODEL: MS355

Work quietly in any space silence with Dell's most silent wireless mouse.* Designed to minimize disruptive clicking sounds, it creates a distraction-free environment, perfect for open office settings. Its compact, sleek design offers comfort and quiet operation, facilitating seamless multitasking and enhanced productivity.

Silent and compact

Discover quiet efficiency with our compact mouse, crafted for space-saving and noise-free operation. Engineered to minimize disruptive clicking, scrolling, and gliding sounds, it enhances concentration during work. Its sleek form factor allows for easy portability and extended comfort during work sessions, making it a versatile companion for various work environments.

Enhanced productivity

Navigate with precision and style using our mouse's adjustable DPI of up to 4020, ensuring seamless navigation across any monitor resolution. Enjoy the convenience of a programmable scroll wheel, ambidextrous design, and benefit from secure dual-mode connectivity and one-click¹ pairing via Dell Pair² for effortless connection, empowering you to maximize productivity with ease.

Sustainable performance

Relish up to 36 months of battery life³ for this mouse, backed by our 3-year advance exchange service. Rest assured, our devices are sustainably made with 54% post-consumer recycled plastic⁴, reducing their environmental impact.
