32 6K MONITOR

U3224KB

The power to work beyond

THE WORLD'S # 1
MONITOR COMPANY*

DELL Technologies

* Dell monitors are #1 Worldwide for 8 years (2014 to 2022)! Source: IDC Worldwide Quarterly PC Monitor Tracker, Q4 2022

ULTRASHARP MONITOR

U3224KB

The power to work beyond

Be ultra productive on the world's 1st 6K monitor with IPS Black panel technology.* This ultimate productivity powerhouse is packed with advanced features, combining exceptional clarity and details with 6K resolution, intelligent collaboration with built-in 4K HDR webcam, and future-ready connectivity with Thunderbolt™ 4 connection.

Exceptional details and color

See your work come to life on a 31.5" monitor with 6K (6144 x 3456) resolution. Experience brilliant color and contrast with IPS Black, new 99% Display P-3 color space, and VESA DisplayHDR 600 certification.

Unparalleled power and productivity

Meet the power demand of today's devices with Thunderbolt™ 4 (up to 140W Extended Power Range (EPR)) single cable connectivity on a hub monitor. Industry-leading mini DisplayPort 2.1 enable seamless image transmission without degradation in quality. Multitask with ease on a productivity hub that enables the user to work across 2 PCs with Auto KVM.

Intelligent and secured collaboration

Collaborate effortlessly with a powerful built-in 4K Digital Overlap (DOL) HDR webcam that enhances visual clarity. AI auto-framing tracks and keep you in the frame, while automatic SafeShutter provides a seamless, secured conferencing experience.

Designed for effortless comfort

Connect external devices without having to reach to the back of the monitor with intuitively designed quick access, pop-out front facing ports. Easy to use with full adjustability and ComfortView Plus, you can be work the way you want and be comfortable all day.

* Based on Dell analysis of 6K (6144 x 3456) monitors, September 2022.

ULTRASHARP MONITOR

¹ Complies to USB-IF Extended Power Range (EPR) standard.

ULTRASHARP MONITOR

U3224KB

Connect like you're there

Make the world take notice

The intelligent webcam includes a 4K Digital Overlap (DOL) HDR webcam CMOS sensor and multi-element lens to deliver crystal clear images.

Communicate clearly with built-in dual echo cancellation mics and two 14W speakers well positioned for optimal hearing.

Look great, always.

Experience a more responsive automatic focus with AI auto framing 2.0 true color even in harsh lighting with Digital Overlap HDR, and images without motion blur with 3D/2D Video Noise Reduction. Design how you want others to see you by customizing your webcam settings via Dell Peripheral Manager.

Record and playback high quality video content in 4K at 30 frames per second (fps), or FHD at either 30 or 60 fps.

Tilt the adjustable camera (0-20°) to the angle you want and customize how much show of your surroundings by adjusting the field of view to 65°, 78°, 90°.

Effortless security

Dell ExpressSign-in which detects your presence when you're close by and logs you in automatically. It locks your PC when you walk away.

Camera disable automatically opens and closes the camera shutter by syncing to video conferencing applications.

The mute and camera disable touch sensors at the front add an extra layer of security.

Dell Peripheral Manager is available for download on dell.com/support/dpem, compatible with Windows 10 and above. Visit the site for a full compatibility list and OS support.

ULTRASHARP MONITOR

U3224KB

See brilliant visuals with groundbreaking IPS Black technology

Exceptional contrast

See incredible color and deeper blacks with a contrast ratio of 2,000:1 on the world's 1st 6K monitor with IPS Black panel technology.* With a wide 178°/178° viewing angle, images remain spectacular, from virtually any angle.

True brilliance

With 6K resolution, 1.07 billion colors, a wide color gamut (100% sRGB, 100% Rec. 709, 99% DCI-P3, 99% Display P3), and VESA DisplayHDR 600, every color and detail will pop.

Enhanced eye comfort

ComfortView Plus — an always-on, built-in low blue light screen — reduces potentially harmful blue light emissions without compromising color.

* Based on Dell analysis of 6K (6144 x 3456) monitors, September 2022.

ULTRASHARP MONITOR

U3224KB

Peak productivity with multitasking features

Stretch productivity with a dual monitor set up and multitask efficiently with built-in KVM, Picture-by-Picture and Picture-in-Picture features.

Multitask better

Connect to two PC sources and Auto KVM will seamlessly switch controls over to the second connected PC. Use KVM (keyboard, video and mouse) to control both PCs with a single mouse and keyboard.

See more on one screen

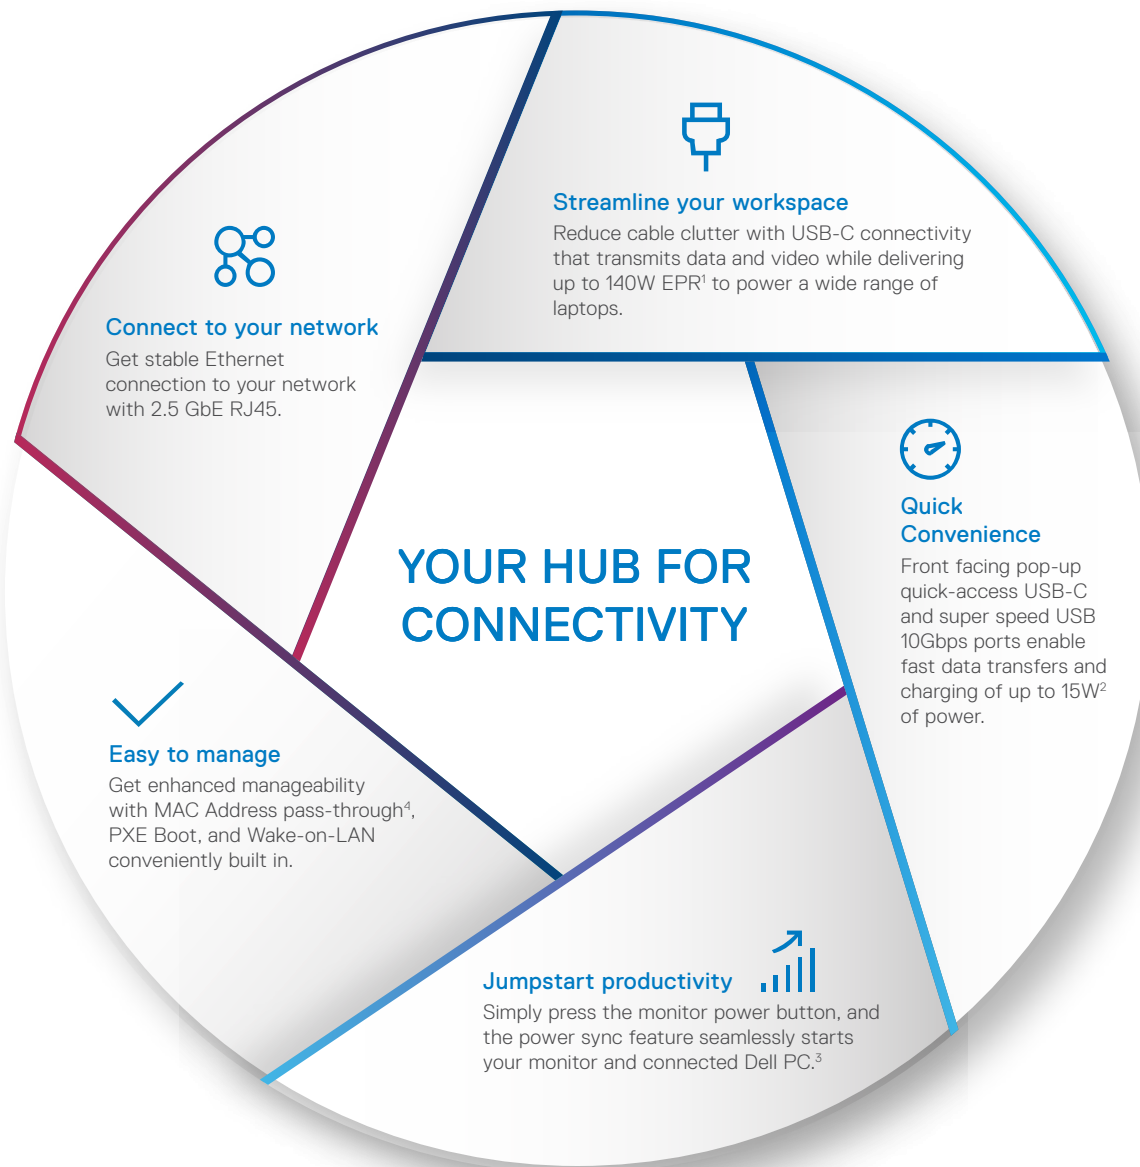

View content from two PC sources with Picture-in-Picture (PiP) and Picture-by-Picture (PbP). KVM allows you to control both PCs with a single keyboard and mouse.

U3224KB

Connectivity that drives productivity

USB-C Hub monitors offer extensive connectivity options including Thunderbolt™ 4 (up to 140W EPR power delivery¹), 2.5 GbE RJ45 for wired Ethernet access, super speed USB for fast data transfers, and more.

1 Complies to USB-IF Extended Power Range (EPR) standard.

2 Via quick access USB-C port.

3 The power sync feature on this Dell USB-C Monitor enables start up and wake-on-demand on compatible Dell PCs. Please check your Dell PC to ensure support of this feature.

4 MAC Address pass-through functionality is tested to work with most Dell PC systems. Functionality on non-Dell systems may vary.

ULTRASHARP MONITOR

U3224KB

Sustainability on Dell Monitors

Leading the industry in sustainable practices in our products, packaging and supply chain.

Environmental standards

This monitor is made from 85% PCR (Post-consumer Recyclable) plastic in the design¹, 90% recycled aluminum² and meets the latest environmental standards such as ENERGY STAR®, and TCO Certified Edge, and are EPEAT® Gold³ registered.

Eco-conscious packaging

Dell commercial monitors ship in select packaging components made with up to 90% recycled materials.⁴

Energy conservation

Save energy with PowerNap⁵, a feature that dims or puts your monitor to sleep when it's not in use.

1 By weight of the total weight of plastic parts in product. Excludes printed circuit boards, labels, cables, connectors, electronic components, optical components, ESD components, EMI components adhesives, and coatings.
2 Based on internal analysis, October 2022.
3 EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
4 Applies to outer box and paper cushion packaging materials, based on internal analysis, October 2022.
5 Enabled by Dell Display Manager.

ULTRASHARP MONITOR

U3224KB

Designed for you

Crafted with a premium platinum silver finish, this stylish Dell UltraSharp 6K monitor fits both home and office environments.

Designed with purpose

The small base and elegant cable management system hides cords within the monitor riser.

Easy-to-use

Navigate the onscreen menu and adjust settings with a convenient joystick control.

Work comfortably

Experience made-for-you comfort by tilting, pivoting, swiveling and adjusting the height of your monitor (160mm max).

ULTRASHARP MONITOR

U3224KB

Dell Display Manager

Modern Intuitive User Interface

New modern user interface for ease of use and personalization of features with Menu launcher

Productive at every level

Easy Arrange allows you to easily tile multiple applications across one or more screens with 48 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities. Easy Arrange Memory save the placement of your programs and applications in the layouts and restore them when you select the preferred layout.

Stay updated

Get automatic notification anytime for new updates on monitor firmware¹ and software.

Optimize front of screen experience

Get uniform color experience from your monitor seamlessly by matching the color preset of the monitor¹ and the supported ICC profile.

Easy setup and sharing of accessories

Setup a single keyboard and mouse to be shared easily between multiple PCs with USB KVM wizard.¹ Quick access menu or hotkey allow convenient fast switching between PCs.

Easy deployment

DDM is compatible with management tools such as SCCM, InTune and Command Line Interface scripts for easy IT integration and deployment with asset management.
