Transform the way you work

Dell UltraSharp 40 Curved Thunderbolt™ Hub Monitor  |  U4025QW

The world’s #1 monitor company*

* Dell monitors are #1 Worldwide for 9 years! Source: IDC Worldwide Quarterly PC Monitor Tracker, Q3 2023. From 2014 to 2023.
DELL ULTRASHARP 40 CURVED THUNDERBOLT™ HUB MONITOR - U4025QW

World's first 40" 5K monitor certified for 5-star eye comfort

Immersive view, exceptional screen performance

This impressive 40" 5K curved monitor features a 120Hz refresh rate for an expansive field of view with smooth and responsive visuals.

See true-to-life color with 99% DCI-P3 / Display P3 color coverage and get a wide viewing angle with IPS Black panel technology that delivers deeper blacks with 2000:1 contrast ratio.

Productivity powerhouse

Experience fast connectivity and image transmission with this Thunderbolt 4 hub monitor that delivers up to 140W power delivery (PD) through a single cable.

Multitask effortlessly with Internal multi-stream transport (iMST). Partition your display as if there were two 2560x2160 physical monitors instead of one. No external software or DisplayPort splitter needed.

New Network KVM feature on Dell Display Manager allows you to work across two PCs for improved productivity.

Enhanced eye comfort

This is the 1st 40" 5K monitor to achieve TÜV Rheinland® five-star eye comfort certification¹ - the latest industry standard for eye comfort to help reduce signs of eye fatigue.

Benefit from an improved ComfortView Plus, a built-in feature that reduces blue light emission to less than 35%, an ambient light sensor that automatically adjusts brightness and color tone to suit lighting conditions, and the 120Hz refresh rate that delivers smoother and sharper motion visuals.

¹ Based on Dell analysis of 5120x2160 resolution monitors, August 2023

Immerse yourself in crystal clear visuals with enhanced eye comfort.
Enhanced eye comfort
Stay productive while ensuring eye comfort. The 120Hz refresh rate delivers smooth motions visuals, built-in ambient light sensor intelligently adjusts screen brightness to match your environment, and improved ComfortView Plus reduces harmful low blue light emissions without sacrificing color.

Immersive viewing experience
Every detail comes to life on this 40" expansive curved screen with 5120 x 2160 resolution. Enjoy a wide viewing angle and a remarkable contrast ratio of 2000:1 for deeper blacks and brighter whites with IPS Black panel technology.

See your work in stunning colors
Experience true-to-life visuals with 1.07 billion colors, a wide color gamut including 100% sRGB, 100% BT.709, 99% DCI-P3 / Display P3, and VESA Certified DisplayHDR™ 600.

Connectivity that powers productivity
Reduce cable clutter with Thunderbolt 4 connectivity that transmits data and video while delivering up to 140W to power a wide range of laptops. Get stable 2.5 GbE Ethernet connection to your network with RJ45 that comes with PXE boot, Mac Address pass-thru and Wake on LAN features.

Multitasking made easy
Connect two PC sources and multitask efficiently with Picture-by-Picture / Picture-in-Picture and Network KVM and Auto KVM. You can also multitask effortlessly on a single PC source with Internal Multi-stream transport (iMST) by splitting the display into two screens.

World’s number 1 monitor company*
We deliver world-class monitors that have gone through rigorous development processes and stringent tests to ensure dependable performance. Get peace of mind with unmatched warranty and support options. Being environmentally forward in thinking, our monitors adhere to environment standards and are made with sustainable materials.

* Dell monitors are #1 Worldwide for 9 years! Source: IDC Worldwide Quarterly PC Monitor Tracker Q3 2023. From 2014 to 2023.

1. MAC Address pass-through functionality is tested to work with most Dell PC systems. Functionality on non-Dell systems may vary.
Environmentally-forward thinking

Sustainable materials
Designed with 50% recycled steel, 85% post-consumer recycled plastics including closed-loop plastics, 100% recycled aluminum and at least 20% recycled glass.

Energy conservation
Using PowerNap mode in Dell Display Manager lowers energy use by up to 14.8%.

Packaging innovation
Ships in a box made with 100% renewable content that is also recyclable.

Elevated standards
Meets highest environmental standards and registered EPEAT Gold with Climate+ designation — this monitor has met industry best practices for decarbonization.

---

1 Based on internal analysis, November 2023. Plastic percentage is based on total plastic weight. Recycled steel: 50% recycled steel in monitor bracket. Recycled aluminum: 100% recycled aluminum in monitor stand.
2 Applicable to all new monitors launching in CY 2024. Recycled glass is present in monitor panel. Based on internal analysis, January 2024.
3 Applies to all Dell monitors launched since 2023. Made from FSC mix sources which is a mix of material from FSC certified forests, recycled content and/or FSC controlled wood. Based on internal analysis, August 2023.
4 The calculation assumes the monitor is used for 10 hours a day, including 1.5 hours of idle time with display in sleep mode when the device screensaver is on. Based on internal analysis, May 2023.
5 Based on internal analysis, November 2023. Based on EPEAT Climate+ Designations achieved in all applicable countries. EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status and tier levels by country.
Designed for you

Crafted with a premium platinum silver finish, this stylish Dell UltraSharp 40 Curved Thunderbolt Hub monitor fits both home and office environments.

De-clutter your workspace
Free up your desk space with the small monitor base and hide cables from view by tucking them into the riser.

Easy-to-use
Navigate the onscreen menu and adjust settings with a convenient joystick control.

Quick convenience
Quick-access USB-C and super speed USB 10Gbps ports enable fast data transfers and charging of up to 15W of power.

Work comfortably
Experience made-for-you comfort by tilting, swiveling, and adjusting the height of your monitor (150mm max).
Software solution to elevate your productivity

Improve work efficiency by utilizing monitor software that lets you optimize your display, customize monitor settings, streamline deployment, and more.

Dell Display Manager

Modern Intuitive User Interface
Modern user interface for ease of use and personalization of features with the new Menu launcher.

Productive at every level
Easy Arrange allows you to tile multiple applications across one or more screens with 48 pre-set window partitions and the ability to personalize up to five windows. Easy Arrange Memory save the placement of your programs and applications in the layouts and restore them when you select the preferred layout.

Multitask seamlessly across 2 PCs
Control and work across multiple network-connected PCs and monitors with a single keyboard and mouse, and easily transfer files between them.¹

Optimize your front of screen experience
Experience uniform color by matching the color preset of the monitor¹ and the supported ICC profile.

Easy setup and sharing of accessories
Setup a single keyboard and mouse to be shared easily between multiple PCs with USB KVM wizard.¹ Quick access menu or hotkey allow convenient fast switching between PCs.

Easy deployment
DDM is compatible with management tools such as SCCM, InTune and Command Line Interface scripts for easy IT integration and deployment with asset management.

Dell Color Management

See colors as intended
Easily calibrate your monitor’s colors with the new Dell Color Management software², developed in partnership with Calman certification. Create preset color profiles that you can save on your monitor for later use.

¹ Feature availability depends on the network policy set out by the company/IT.
Ports & Slots

1. Security lock slot
2. Power connector
3. HDMI 2.1
4. DisplayPort 1.4
5. Thunderbolt™ 4 downstream port (15W) for daisy chaining
6. Thunderbolt™ 4 upstream port (Video + Data). Alternate mode with DisplayPort 1.4, Extended Power Delivery up to 140W
7. USB Type-C upstream port (data only) (SuperSpeed USB 10Gbps, USB 3.2 Gen2)
8. 3 x USB Type-A downstream port (SuperSpeed USB 10Gbps, USB 3.2 Gen2)
9. Audio line-out
10. USB Type-A downstream port (SuperSpeed USB 10Gbps, USB 3.2 Gen2)
11. RJ45 port
12. Stand lock
13. 2 x USB Type-C downstream port (SuperSpeed USB 10Gbps, USB 3.2 Gen2) with power charging (15W)
14. USB Type-A downstream port (SuperSpeed USB 10Gbps, USB 3.2 Gen2) with BC1.2 power charging
15. Speakers
