LATITUDE
7340/7440/7640

Premium look. Premium options.
Innovative use of sustainable materials
Up to 42% bio-based material in bottom bumpers. Packaging made from 100% recycled or renewable materials.

Premium materials and finishes
Ultralight magnesium in River color available on the 13” and 14”. Aluminum in Titan Gray color available in 13”, 14”, & 16”.

13” or New 14” Ultralight options
13” starts at 0.982 kg / 2.17 lbs.
New 14” starts at 1.06 kg / 2.33 lbs.

New 16:10 premium panels
New displays featuring taller 16:10 aspect ratios with 5% more screen space. Touch options available on all sizes. Options for QHD+ resolution, ComfortView Plus, and Battery-saving Super Low Power displays available on 13” and 14”. 2-in-1 configurations offer active pen support and feature and Corning® Gorilla Glass® Victus™.

New Mini-LED Battery-Saving Backlit Keyboard Technology
Reduces power drain by the keyboard up to 75% and increases battery life.

Precision Clickpad
Larger touchpad with more room for navigation and glass-like feel for comfort & productivity.

Performance for today’s multi-tasking
Intel vPro®, an Intel® Evo™ Design, enables maximum productivity. Powered by 13th Gen Intel® Core™ processors.

Optional Intelligent Privacy features: Onlooker Detection – alerts you of onlookers and texturizes your screen to protect your data.
Look-away Detect – knows when you’re not looking at screen & dims for privacy and battery savings.

Enhanced 5MP IR MIPI Camera
Look great on every video call with temporal noise reduction that reduces visual noise and up to 5MP IR MIPI camera options. Enjoy peace of mind when you disconnect with a manual camera shutter.

Intelligent Audio with neural noise cancellation
Collaborate confidently with AI-based background noise reduction.

Optional ExpressSign-in
Wake your system when you approach and lock it when you step away.

Up-leveled audio
Best audio quality ever in a 7000 series. Featuring quad speakers, including two top-firing and two bottom-firing speakers; richer bass; and 15% gen-over-gen improvement in loudness.

Up to 65% longer battery life
Charge up to 80% within an hour with ExpressCharge.

Up to 75% more screen space
New displays featuring taller 16:10 aspect ratios with 5% more screen space.

Performance for today’s multi-tasking
Intel vPro®, an Intel® Evo™ Design, enables maximum productivity. Powered by 13th Gen Intel® Core™ processors.

Stay cool & quiet
Thermal innovations optimize performance with new rear venting and user selectable thermal tables.

Optional ExpressSign-in
Wake your system when you approach and lock it when you step away.

New Mini-LED Battery-Saving Backlit Keyboard Technology
Reduces power drain by the keyboard up to 75% and increases battery life.

Intelligent Audio with neural noise cancellation
Collaborate confidently with AI-based background noise reduction.

Performance for today’s multi-tasking
Intel vPro®, an Intel® Evo™ Design, enables maximum productivity. Powered by 13th Gen Intel® Core™ processors.

Battery-saving Super Low Power displays available on 13” and 14”. 2-in-1 configurations offer active pen support and feature and Corning® Gorilla Glass® Victus™.

Precision Clickpad
Larger touchpad with more room for navigation and glass-like feel for comfort & productivity.

Charge faster, work longer
Work from anywhere longer with up to a 57WHr battery. Charge up to 80% within an hour with ExpressCharge.

New Mini-LED Battery-Saving Backlit Keyboard Technology
Reduces power drain by the keyboard up to 75% and increases battery life.

Stay cool & quiet
Thermal innovations optimize performance with new rear venting and user selectable thermal tables.

Up to 65% longer battery life
Charge up to 80% within an hour with ExpressCharge.

Optional ExpressSign-in
Wake your system when you approach and lock it when you step away.

New Mini-LED Battery-Saving Backlit Keyboard Technology
Reduces power drain by the keyboard up to 75% and increases battery life.

Intelligent Audio with neural noise cancellation
Collaborate confidently with AI-based background noise reduction.

Sustainability on Dell Latitude 7000 series

Delivering innovative technology and solutions to reduce our environmental impact, for ourselves and our customers.

**Sustainable Materials**
Our use of sustainable materials helps reduce the environmental impact of making and recycling them.*

- Recycled plastics in multiple locations of the product**
- Up to 42% bio-based rubber in the feet on the bottom of the product
- 50% recycled copper in the 100W AC cable

**Packaging Innovation**
Ships in new enhanced 100% recycled or renewable packaging that is also 100% recyclable*. Multipack shipping available on eligible products.

**Ecolabels**
Eco-labeling standards drive sustainability further by helping customers understand electronic products and the companies that make them. This product meets the following standards:

- ENERGY STAR
- TCO certified
- epeat gold

**Recycle**
Securely and responsibly retire your IT equipment with Dell regardless of brand, in support of a circular economy. Learn more at [Dell.com/Recycle](http://Dell.com/Recycle)

See how we are reducing the impact of our products and solutions [Dell.com/Sustainable-Devices](http://Dell.com/Sustainable-Devices)
Dell Optimizer
We make it intelligent. You make it yours.

In a work-from-anywhere world, powering the world’s most intelligent commercial PCs* is not enough, Dell Optimizer is extending personalized intelligence to the rest of the Dell ecosystem.

Dell Optimizer lets you accomplish anything with built-in intelligence that learns and adapts to the way you work.

Elevate everyday work with personalized performance extending from your Latitude to the devices within your workspace.

An intelligent ecosystem
Enjoy easy pairing and management of your Dell monitors and accessories with the integration of Dell Display Manager and Dell Peripheral Manager.

Up level audio
Intelligent Audio delivers sound and mic enhancements reducing background noise using neural noise cancellation and voice quality monitoring.

Extended power
ExpressCharge analyzes your power usage habits to improve PC battery utilization and extends run times by charging your system faster when you need a boost in power.

Unmatched connectivity
ExpressConnect* provides the world’s first simultaneous multinetwork connection** that joins the best network* available.

Improved app performance
Analyzes how you use your preferred apps to boost performance.

Intelligent privacy anywhere
This technology lets you texturize your screen when an intruder is detected and dims your PC when you look away. It also wakes your PC when your approach and locks it when you walk away.

With Dell Optimizer, optimization and data collection follow a stringent process to ensure your privacy and security.

Click here to learn more about Dell Optimizer.
Make yourself more resilient to cyberattacks with Dell Trusted Devices.

Attacks are inevitable. In fact, 69% of organizations report a cyber-attack due to a poorly managed internet-facing asset in the prior 12 months.* Dell Technologies understands that today’s security challenges include managing an evolving threat landscape with a modern work environment in mind. With Dell commercial devices, catch and repel malicious activity before it compromises your system. Latitude, one of the industry’s most secure commercial PCs**, offers layers of security features to keep you protected and give you visibility to threats for swift action.

Secure anywhere-work with hardware and firmware defenses built for our hyper-distributed world.

Stay protected from evolving threats
Our unique BIOS and firmware verification provides greater security than other PCs. Assess a corrupt BIOS, repair it and gain insights that reduce exposure to future threats.

Spot ticking timebombs
Indicators of Attack, an early-alert feature offered only by Dell, scans for behavior-based threats before they can do damage.

Detect chassis tampering
Detect unauthorized access, e.g., malicious implanted hardware or software, data/component theft inside system chassis.

Secure end user credentials
SafeID, a dedicated FIPS Level 3 certified security chip, keeps user credentials hidden from malware.

Be safe from first boot
Rigorous, state-of-the-art supply chain controls reduce the risk of product tampering. Optional add-ons like the Dell-unique Secured Component Verification provide additional assurance of device integrity.

Protect data everywhere
Stay protected against advanced threats with optional software-based protections from our ecosystem of best-of-breed partners (CrowdStrike, VMware Carbon Black, Secureworks, Netskope and Absolute).

*ESG Survey: Security Hygiene and Posture Management, Jan. 2022
**Dell internal analysis, September 2022. Not all features available with all PCs. Additional purchase required for some features.
RECOMMENDED SOLUTIONS

OFFICE

Dell UltraSharp 24 USB-C Hub Monitor – U2422HE (x2)
Take your work to new heights with this 23.8-inch FHD monitor featuring brilliant color coverage. Increase your productivity by up to 21% when you use two monitors together.

Dell Thunderbolt™ Dock - WD22TB4
Modular Thunderbolt 4 dock with swappable modules for easy upgrades and SuperBoost technologies for fast charging.

Dell UltraSharp Webcam - WB7022
Elevate your video conferencing experience with the world's best image quality 4K webcam that optimizes your visuals with a large 4K Sony STARVIS™ CMOS sensor and AI Auto-Framing.

Dell Premier Wireless ANC Headset – WL7022
Collaborate with ease anywhere with this Teams-certified wireless headset which offers active noise cancellation and smart sensors that automatically mute and unmute your call.

HOME

Dell 34 Curved Video Conferencing Monitor – C3422WE
Bring your meetings to life on this 34-inch curved WQHD monitor with an integrated IR camera, dual 5W speakers and a dedicated, one-touch Teams button.

Dell Dual Dock - HD22Q
Powerfully productive, this compact dock is the world's first laptop docking station with a wireless charging stand for Qi-enabled smartphone or earbuds. Cellular device not included.

Dell Premier Multi-Device Wireless Keyboard and Mouse - KM7321W
Experience superior multitasking features with a stylish and comfortable premium keyboard and mouse combo. Complete your tasks powered by one of the industry's leading battery lives at up to 36 months.

Dell Speakerphone - SP3022
Experience crystal-clear conference calls with the world’s most intelligent Microsoft, Teams-certified speakerphone.

See important information on last page
RECOMMENDED SOLUTIONS

14” Portable Monitor - C1422H
Experience dual-screen productivity anywhere with Dell’s first-ever 14” portable monitor.

Mobile Speakerphone Adapter - MH3021P
A seamless, all-in-one conferencing and connectivity solution that allows you to make calls while connected to multiple devices.

65W Power Bank Plus (USB-C, 65Whr) - PW7018LC
World’s first notebook power bank to charge the widest range of USB-C laptops, as well as mobile devices[^1].

Dell EcoLoop Urban Backpack
Designed for organization and comfort, the Dell EcoLoop Urban Backpack is built with the environment in mind and easily complements any lifestyle.
**TECHNICAL SPECIFICATION**

**MODEL NUMBER**
- Latitude 7340 (laptop or 2-in-1)
- Latitude 7440 (laptop or 2-in-1)
- Latitude 7640 (laptop)

**PROCESSOR OPTIONS**
- 13th Gen Intel® Core™ processors up to i7
- U series vPro®

**OPERATING SYSTEM**
- Windows 10 Pro (11 License with downgrade to Win 10)
- Windows 11 Home 64-bit
- Windows 11 Pro 64-bit
- Ubuntu®/20.04 LTS, 64-bit (Laptop only)

**MEMORY OPTIONS**
- Up to 32 GB, LPDDR5x, 4800 MT/s, integrated, dual channel
- 64 GB, LPDDR5sx, 4800 MT/s, integrated, dual channel (coming soon)

**CHIPSET**
- Integrated with the processor

**INTEL RESPONSIVENESS TECHNOLOGIES®**

**GRAPHICS**

## Latitude 7340/7440/7640

### Technical Specification

**Model Number**: Latitude 7340 (laptop or 2-in-1)

**Security**

To peek, dims the screen when user is disengaged. Intel ME Firmware Authentication (with Intel vPro) – Verifies that critical firmware is good using a secure off-host source.

Face IR camera (Windows Hello compliant) with ExpressSign-in 1.0 (Proximity Sensor), ExpressSign-in 2.0 (Camera Sensing).

Optional Windows Hello compliant fingerprint reader in power button

Optional Security Hardware Authentication Bundle: Optional Touch Fingerprint Reader (In Power Button) with Control Vault 3.0 Advanced Authentication with FIPS 140-2 Level 2 Certification

Dell Client Command Suite

Dell Support Assist for Home PCs

Dell Support Assist OS Recovery

### Additional Software Security Features

Netskope\textsuperscript{™} Zero Trust Security (CASB)

Netskope\textsuperscript{™} Secure Web Gateway

Netskope\textsuperscript{™} Zero Trust Private Access

VMware\textsuperscript{®} Carbon Black Endpoint Standard

VMware\textsuperscript{®} Carbon Black Endpoint Standard + SecurityWorks\textsuperscript{®} Tags\textsuperscript{®} XDR Bundle

VMware\textsuperscript{®} Workspace ONE Advanced

VMware\textsuperscript{®} Workspace ONE Enterprise

Absolute\textsuperscript{®} Endpoint - Visibility

Absolute\textsuperscript{®} Endpoint - Control

Absolute\textsuperscript{®} Endpoint - Resilience

### Multimedia

FHD Camera with built-in camera shutter and Temporal Noise Reduction for high image quality

Optional FHD IR MIPI camera with built-in camera shutter, ExpressSign-in\textsuperscript{™}, Intelligent Privacy, Ambient Light sensor, Temporal Noise Reduction for high image quality

Optional SMP IR MIPI camera with built-in camera shutter, ExpressSign-in\textsuperscript{™}, Intelligent Privacy, Ambient Light sensor, Temporal Noise Reduction for high image quality

4x Top & Bottom Firing Speakers, Waves MaxxAudio Pro

2 x Noise Canceling Microphones Intelligent Audio with Neural Noise Cancelling

Universal Audio jack

### Battery Options

2 cell 38 Whr Li-Ion, ExpressCharge Boost\textsuperscript{™}, ExpressCharge 10.0\textsuperscript{™} & Long Life Cycle capable

3 cell 57 Whr Li-Ion, ExpressCharge Boost\textsuperscript{™}, ExpressCharge 10.0\textsuperscript{™}, & Long Life Cycle capable

### Power Options

60W AC Ultrathin Mini Adapter, USB Type-C

65W AC Adapter, USB Type-C

100W AC Adapter, USB Type-C

### Connectivity Options

Microsoft Modern Standby Compliant

### USB-C Ports

2 x USB Type-C Thunderbolt\textsuperscript{™} 4.0 with Power Delivery & DisplayPort 1.4

1x USB 3.2 Gen 1, one with Power Share

1x HDMI 2.0
