¹Onsite availability varies by country and service purchased. Onsite service after remote diagnosis. ²Software support with collaborative 3rd party assistance. ³SupportAssist not available on Linux, Windows RT, Ubuntu or Chrome based products. Connectivity is required for SupportAssist features. SupportAssist automatically detects and proactively alerts Dell to operating system issues, software upgrades, driver updates and patches, malware, virus infected files, failures of hard drives, batteries, memory, internal cables, thermal sensors, heat sinks, fans, solid state drives and video cards. Predictive analysis failure detection includes hard drives, solid state drives, batteries and fans. ⁴Accidental Damage service excludes theft, loss, and damage due to fire, flood, or other acts of nature, or intentional damage. Customer must return damaged unit. Limit of 1 qualified incident per contract year. ⁵Hard drive retention is not available on models with a soldered hard drive, Chromebooks or Venue tablets, except the Venue 11 Pro. ⁶Available for ProSupport Plus customers with 500 or more ProSupport Plus systems. ⁷Customers must commit to purchase 1,000 Dell client assets with ProSupport Flex within 12 months. ⁸Service deactivation fee applies for early termination of subscription contracts. Refer to commercial subscription and auto renewal terms.
