

McAfee+, worry-free, all-in-one protection for your personal info, privacy, and all your devices.

Powerful online protection made simple

All-in-one online protection to help you stay a step ahead of scammers and threats. Includes scam detection, identity monitoring, VPN, award-winning protection for all your devices, and more.

How does McAfee+ Premium protect you?

Scam Detector

Get automatic alerts if we detect risky texts, emails, and deepfake videos.

Online Account Cleanup

See who has access to your data and request to remove it before data breaches even happen.

Personal Data Cleanup

Scan and remove your personal info from sites that collect and sell it.

Secure VPN

Protect your online privacy whenever, wherever with unlimited VPN.

Powerful PC protection

The #1 antivirus for PC performance,¹ keeps your PC fast and protected.

Identity Monitoring

We'll monitor your email address and more and notify you if it's exposed on the dark web.

Social Privacy Manager

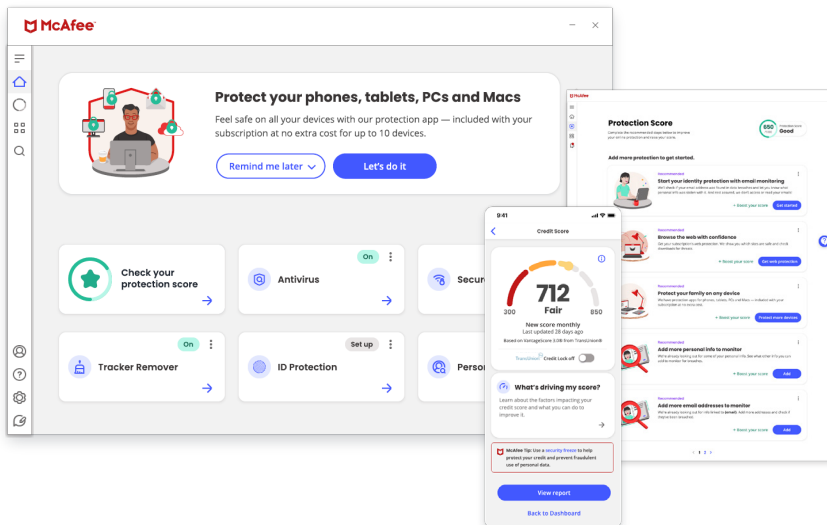

Safeguard your privacy on social media in just a few clicks, with personalized recommendations for your privacy settings.

Tracker Remover

Prevent web trackers from monitoring and gathering data about you or your employees when on the web.

We make online security simple so you can bank, shop, browse, and connect with **confidence**.

McAfee+ Premium plan includes:

Scam Detector: Spot a scam before it hits you — and your wallet. We'll automatically identify risky emails, texts, and deepfake videos so you can stay ahead of financial fraud and misinformation.

Online Account Cleanup: See who has access to your data and request to remove it before data breaches even happen with a single click.

Personal Data Cleanup: See where your info is online. Get guidance for removal.

Secure VPN: Protect your personal data and location with a virtual private network.

Social Privacy Manager: Safeguard your privacy on social media in just a few clicks, with personalized recommendations for your privacy settings.

McAfee Protection Score: Monitor the health of your protection to improve your security.

Identity Monitoring: Helps you keep an eye on your personal info for data breaches with timely alerts.

Award-Winning Antivirus: Protect all your PCs² and the info on them with the #1 antivirus for PC performance to keep them fast and secure.³

Password Manager: Secure your account credentials across devices.

Tracker Remover: Removes cookies and temporary files that may contain info that identifies you and tracks your online activity.

File Shredder: Delete sensitive files completely to ensure no traces are left behind.

Web Protection: Browse more safely with protection from phishing and malware sites.

Advanced Firewall: Help safeguard your home network by blocking dangerous traffic with McAfee's advanced firewall.

Virus Protection Pledge to you: We pledge to remove viruses on your devices or give you your money back, 100% guaranteed.⁴

24/7 security experts: Take the time and worry out of your online protection with the ultimate identity and privacy protection. Let our experts clean up your personal info online and get ongoing monitoring.

Multi-device Compatibility: One single subscription can protect all of your compatible devices.

1. Based on AV-Comparatives April 2024 Performance Test.
2. Plans with unlimited device protection cover only household devices that you own for personal, non-commercial use, and is subject to our fair use policy. If you have an issue adding a device, please contact Customer Support.
3. Based on AV-Comparatives April 2024 Performance Test.
4. Virus Protection Pledge (VPP): To be eligible for VPP, you must be actively enrolled in our auto-renewal service with a qualifying product installed. If we cannot remove a virus from a device we support (see VPP System Requirements), we'll refund for the current term of your subscription the actual amount you paid for the qualifying product, or the value of the qualifying product if it was included in a bundle (see terms of service for details), less any discounts, rebates, refunds, shipping, handling or taxes. The refund does not apply to any damage or loss caused by a virus, we strongly recommend that you always backup your data to prevent data loss. Refer to our terms of service for details: mcafee.com/pledge.
