Contribute to the Circular Economy

The simple way to contribute to environmental sustainability and make management easier. Integrating our payment solutions into your business strategy can contribute to your environmental sustainability targets and have a positive impact on the environment.

When you choose a Technology Rotation solution from Dell Technologies, you are contributing to the circular economy through these processes:

REFURBISHMENT & REMARKETING

Up to 95% of hardware is refurbished after data sanitization, gaining a second life by being resold2

RESPONSIBLE RECYCLING

The remaining hardware is recycled in adherence with all applicable international, regional, national and local laws and conventions2

**Payment solutions provided and serviced by Dell Financial Services Canada Limited or its affiliate or designee (“DFS”) to qualified customers. Offers may not be available or may vary in certain countries. Where available offers may be changed without notice and are subject to product availability, applicable law, credit approval, documentation provided by and acceptable to DFS and may be subject to minimum transaction size. Offers not available for personal, family or household use. Dell Technologies and the Dell Technologies logo are trademarks of Dell Inc. Restrictions and additional requirements may apply to transactions with governmental or public entities. Technology Rotation: At the end of the fair market value (“FMV”) contract, the customer may purchase the equipment for the then FMV, renew the contract or return the equipment to DFS.

Technology Rotation Promotion: Applicable for 36-month FMV contract. Under this offer, the lessee’s periodic rent payments exclude taxes, fees, shipping and other charges. For qualifying Dell and Dell EMC storage, and Networking (switches). Minimum transaction $1,500; maximum $500,000.

Offers, including those at Dell.com and Dell.ca may vary. Combination with other discounts may limit availability. Offer valid through January 31, 2023 to qualified business end users in the U.S. and Canada.
