Learn How

Intel® Innovation Built-in **intel**

*Based on a Vanson Bourne study commissioned by Dell Technologies, Intel and VMware, "Blaze a Trail with Intelligent Innovation" June 2022. Results based on a Vanson Bourne global survey of 4,300 IT decision-makers in February and March 2022. Respondents were from organizations with 100 or more employees across all public and private sectors, with a specific focus on education, retail and consumer products (including ecommerce), Government and the financial services and insurance sector. Actual results may vary.
