KEY STATISTICS

ROI
224%

PAYBACK
<6 months

AVERTED BUSINESS LOSS FROM RANSOMWARE
\$761,000

“We had a cyber incident two years ago. We had a big virtual environment where we backed up a lot of central files to the virtual environment, which we lost. [With Dell PowerProtect Backup Services], I don’t lose sleep anymore about whether [we have] people’s data backed up.”
