communities & driving
business impact

Cultivating
Inclusion

5 Million

**VOLUNTEER HOURS OVER
LAST 5 YEARS**

Making a positive
contribution to our
communities

Progress Made Real

DELLTechnologies/Forum

A woman with long, flowing white hair is sitting in the center of a large room filled with hundreds of open laptops arranged in rows on the floor. She is holding a tablet or book. The room has a futuristic, teal-colored background with circuit-like patterns on the walls. The overall atmosphere is one of digital connectivity and human-technology interaction.

Transforming
Lives with
Technology

Technology has the power
to solve some of the
greatest challenges facing
humanity

Progress Made Real
