Meeting spaces

Building relationships is a key part of the financial services industry, and a lot of that happens in meeting spaces. Create flexible, functional areas that can support everything from one-on-ones between team members to stylish boardrooms to host customers.

Solution details

Dell 4K Interactive Touch Monitors offer up to 20 points of touch along with a dedicated space to insert an OptiPlex Micro PC** on the back for a seamless, all-in-one experience. Users can write or draw on the large interactive display with virtually zero lag, enabling real time collaboration.

Additional accessories and options

D. Dell Mobile Adapter Speakerphone - MH3021P* (launching in June)
E. Dell Multi-Device Wireless Keyboard and Mouse Combo - KM7120W
F. Logitech Rally Camera

Recommended Dell solution†

When compared to key competitors, ProSupport Plus with SupportAssist reduced time to resolve a failed hard drive with:

- **92%** Up to 92% less time to resolution<sup>1</sup>
- **68%** Up to 68% fewer steps to resolution<sup>1</sup>

## ProDeploy Plus

Deploy PCs with greater speed and less effort.

### Experts

Enjoy unprecedented efficiency thanks to best practices learned from years of experience. Gain up to 56% faster deployments<sup>2</sup> and $792 reduced deployment cost per PC.<sup>2</sup>

### Insights

Gain expertise from teams who do this every day. We custom-configure and image units globally every week, and provide project documentation with knowledge transfers.

### Ease

Effortlessly deploy PCs by outsourcing to us. You’ll have the flexibility to select the level of service that matches your IT staff outsourcing needs, and we perform deployments after hours or on weekends for zero disruptions during business hours. We’re also available in 70 countries.

- **50%** Up to 50% reduced deployment time<sup>2</sup>
- **$792** Reduced deployment cost per PC<sup>2</sup>

---

2. Source: Based on IDC White Paper commissioned by Dell, “Business Value of Optimized Device Deployment”, October 2019. Results derived from a survey of 1000 organizations worldwide. Savings calculated reflect costs associated with IT staff time for deployment-related activities and do not include the list price of ProDeploy Plus. Cost savings in U.S. Dollars. Actual results will vary. Click here for the full report: www.dellEMC.com/idcdeploymentservicebusinessvalue
