

# DELL EMC PRODUCT WARRANTY AND MAINTENANCE TABLE

The table below sets forth Dell EMC<sup>1</sup> product-specific warranty and maintenance terms and information. Each product identified as Equipment also includes its related operating system, operating environment or microcode (also defined in many contracts as “Core Software”), if any, unless the table indicates that such operating system is licensed as a separate product. Any Dell EMC software that is licensed as a separate product and is not specifically identified on this table is governed by the terms stated in the row entitled “software.”

Dell EMC recommends that you locate products on the following table by simultaneously pressing the “Control” key and the letter “F” key to activate the “Find” feature, and then typing in the name of the applicable product.

Additional information about available Support Options as well as other important information can be found by clicking the link found [here](#).

Notice: In accordance with widely used business practices in the IT industry and in support of Dell EMC’s worldwide sustainability and recycling initiatives, Equipment may contain components that are (i) previously unused; or (ii) re-manufactured to contain the most current updates, meet all relevant test specifications and be functionally equivalent to previously unused components. Spare, upgrade and/or replacement components may be re-manufactured. Dell EMC warranty terms apply equally to all components. For information on Dell EMC’s recycling and sustainability efforts please [click here](#).

Data Protection Products			
Product	Standard Warranty	Available Support Options <sup>2</sup>	Designated Customer- Replaceable Units (CRUs) <sup>3</sup>
Automated Failover Manager (AFM) Software	90 days; defective media replacement Support during warranty available with purchase of a RecoverPoint or MirrorView maintenance support option.	Premium	None The AFM is included with RecoverPoint or MirrorView software only
Avamar Data Store	2 years; ProSupport 4HR/MC	Premium, Enhanced, ProSupport Plus 4HR/MC, ProSupport Plus NBD, ProSupport 4HR/MC, ProSupport NBD	Power supply, disk drives

CloudBoost Software	90 days; defective media replacement Support during warranty available with purchase of a maintenance support option	Enhanced	None

<sup>1</sup> “Dell EMC”, as used in this document, means the applicable Dell sales entity (“Dell”) specified on your Dell quote or invoice and the applicable EMC sales entity (“EMC”) specified on your EMC quote. The use of “Dell EMC” in this document does not indicate a change to the legal name of the Dell or EMC entity with whom you have dealt.

<sup>2</sup> 4HR – 4 hour response objective, MC – mission critical response, NBD – next business day; additional service features are included as part of a purchase of a renewal of an Enhanced, Premium, ProSupport 4HR/MC and ProSupport Plus 4HR/MC Support Option maintenance contract after May 31, 2018 for this Product; provided, that customer has activated and maintains the currently supported version(s) of SupportAssist Enterprise and/or Secure Remote Support tools during the applicable renewal term. These additional service features are specified in the applicable Support Option Service Description that can be found by clicking the link found [here](#). Enhanced and/or Premium Support Option, each, as applicable, is only available as part of a purchase of a renewal of an existing Enhanced and/or Premium Support Option maintenance contract. Customer who have purchased ProSupport with the Mission Critical Option prior to July 18<sup>th</sup>, 2019 or have purchased renewals of that Support Option, please note that your Support Option Service Description was merged with ProSupport NBD, but your Support Option entitlement and service features have not changed.

<sup>3</sup> **Customer Replaceable Units (CRUs):** CRUs are specific assemblies, components, or individual parts of designated Dell EMC equipment that the Customer is authorized by Dell EMC to self-replace. In the event of a failure or technical issue, the Customer may remove and replace a CRU by using Dell EMC-provided diagnostic tools and/or documentation. Assemblies or components not designated as CRUs must be serviced and/or replaced by Dell EMC or a Dell EMC authorized service partner.

## Networking Products

Product	Standard Warranty	Available Support Options	Customer- Replaceable Units (CRUs)*
All Networking Product Warranty information is listed at: <a href="https://www.dell.com/en-us/work/shop/networkingwarranty/cp/networkingwarranty">https://www.dell.com/en-us/work/shop/networkingwarranty/cp/networkingwarranty</a>	All Networking Product Warranty information is listed at: <a href="https://www.dell.com/en-us/work/shop/networkingwarranty/cp/networkingwarranty">https://www.dell.com/en-us/work/shop/networkingwarranty/cp/networkingwarranty</a>	ProSupport Plus 4HR/MC, ProSupport Plus NBD ProSupport 4HR/MC ProSupport NBD, Basic, as specified on your Dell quote or invoice	CRUs for Networking Products varies by region and Product type. Dell EMC monitors performance and activity for specific Networking components and updates CRU lists based on the latest feedback. For more information about a specific part or component please consult the applicable Product Documentation and contact Dell EMC if you have any further questions.

### OTHER WARRANTY TERMS AND LIMITATIONS RELATED TO NETWORKING PRODUCTS:

- Select Dell EMC Networking products carry a lifetime limited hardware warranty with Basic Hardware Service (repair or replacement) for as long as you own the product as set forth at: <https://www.dell.com/en-us/work/shop/networkingwarranty/cp/networkingwarranty>. Repair or replacement support for any Dell EMC Networking product with limited lifetime warranty does not include configuration or configuration assistance, or other advanced service and support provided by ProSupport and ProSupport Plus services. The warranty does not apply to products purchased before first announcement in Spring 2011. Dates vary by region. Contact customer service to verify if your product qualifies.
- Select Dell EMC Networking products carry an Extended Life Limited Hardware Warranty with Basic Hardware Service (repair or replacement), which extends until 5 years after the end of sales date, as set forth at: <https://www.dell.com/en-us/work/shop/networkingwarranty/cp/networkingwarranty>, subject to the specific clarifications and limitations listed below. Repair or replacement support for any Dell EMC Networking product with Extended Life Limited Hardware Warranty does not include configuration or configuration assistance, or other advanced service and support provided by ProSupport and ProSupport Plus services. The Extended Lifetime Limited Warranty is not transferrable.
  - **Clarifications and limitations pertaining to products with Extended Life Limited Hardware Warranty**
    - B-Series FCX/FCXs — Internal power supply and fans are covered; however, warranty excludes removable optics and LEDs.
    - J-Series EX4200 — Warranty does not include optics and limits fan and power supply to 5 years from date of purchase.
    - W-Series Access Points: W-AP92/93/93H, W-IAP92/93, W-AP104/105, W-IAP105, W-AP124/125, W-AP134/135, W-IAP134/135 — Warranty limits any power supply, antennae or accessories to 1 year from date of purchase.

## Server Products

Product	Standard Warranty	Available Support Options	Customer- Replaceable Units (CRUs)*
Connected Smart-UPS	3 year hardware only; Limited  90 days for BIOS/firmware; defective media replacement Support during warranty available with purchase of a maintenance support option	ProSupport Plus 4HR/MC, ProSupport Plus NBD ProSupport 4HR/MC ProSupport NBD, Basic	CRUs for Server Products vary by region and Product type. Dell EMC monitors performance and activity for specific Server components and updates CRU lists based on the latest feedback. For more information about a specific part or component please consult the applicable Product Documentation and contact Dell EMC if you have any further questions.
PowerEdge T Series up to 300s, R Series up to 300s,	1 year hardware only; Limited  90 days for BIOS/firmware; defective media replacement Support during warranty available with purchase of a maintenance support option	ProSupport Plus 4HR/MC, ProSupport Plus NBD ProSupport 4HR/MC ProSupport NBD, Basic	CRUs for Server Products vary by region and Product type. Dell EMC monitors performance and activity for specific Server components and updates CRU lists based on the latest feedback. For more information about a specific part or component please consult the applicable Product Documentation and contact Dell EMC if you have any further questions.
PowerEdge C Series, M Series, MX Series, FX Series, R Series 400s and above, T Series 400s and above, VRTX Series, XR Series, XE Series,	3 year hardware only; Limited  90 days for BIOS/firmware; defective media replacement Support during warranty available with purchase of a maintenance support option	ProSupport Plus 4HR/MC, ProSupport Plus NBD ProSupport 4HR/MC ProSupport NBD, Basic	CRUs for Server Products vary by region and Product type. Dell EMC constantly monitors performance and activity for specific Server components and updates CRU lists based on the latest feedback. For more information about a specific part or component please consult the applicable Product Documentation and contact Dell EMC if you have any further questions.

### OTHER WARRANTY TERMS AND LIMITATIONS RELATED TO SERVER PRODUCTS:

The limited hardware warranty lasts for the time period indicated on your EMC Quote or your Dell Quote or invoice, and the applicable entry in the tables above, except for the following Dell-branded hardware:

- All variants of ioDrive® NAND Flash devices use a silicon technology that has a maximum number of physical bytes that can be written to the device (the Rated Life). The applicable limited hardware warranty covers failures due to defects in workmanship and/or materials, but does not cover problems related to the device reaching its maximum Rated Life. **ioDrive is a registered trademark of Fusion-io.**
- Your series 5, 6 or 7 PowerEdge RAID Controller (PERC) battery may provide up to 72 hours of controller cache memory backup power when new. Under the 1-year limited hardware warranty, we warrant that the battery will provide at least 24 hours of backup coverage during the 1-year limited hardware warranty period. Service offerings such as ProSupport and ProSupport Plus services may be available to provide longer service periods for an additional fee.
- Your Series 8/9 PERC controller battery comes with a 3-year limited hardware warranty, which cannot be extended beyond 3 years. Service offerings such as ProSupport and ProSupport Plus services may be available to provide longer service periods for an additional fee.
- Enterprise SATA value/mix use solid-state drives (SSDs), enterprise SATA read intensive SSDs and slim SATA SSDs are not eligible for purchase of extended warranty coverage beyond 3 years, unless purchased with a separate service offering such as ProSupport or ProSupport services, which may be available to provide longer service periods for an additional fee.
- Dell power distribution units (PDUs) and keyboard/monitor/mouse consoles (KMMs) purchased independent of a system carry a 1-year limited hardware warranty. Dell PDUs and KMMs purchased with a system are covered by the greater of 3 years or the term of the system limited hardware warranty.
- All variants of PowerEdge Express Flash PCI Express (PCIe) SSD devices carry the length of the limited hardware warranty coverage for the Dell system with which the PowerEdge Express Flash PCIe SSD device is shipped. PowerEdge Express Flash PCIe SSD devices are not eligible for purchase of extended warranty coverage beyond a total of 5 years of coverage from the original shipment date unless purchased with a separate service offering such as ProSupport or ProSupport services. Additionally, PowerEdge Express Flash PCIe SSD devices use a silicon technology that has a maximum number of physical bytes that can be written to the device (the Device Life). The applicable limited hardware warranty covers failures due to defects in workmanship and/or materials, but does not cover problems related to the device reaching its maximum Device Life.
- Enterprise SATA, SAS and NVMe SSDs purchased as a component of Dell EMC Server Products are not eligible for purchase of extended warranty coverage beyond 3 years from the original shipment date, unless purchased with a separate service offering such as ProSupport or ProSupport services. All such SSD devices have a maximum Device Life. The applicable limited hardware warranty covers failures due to defects in workmanship and/or materials but does not cover problems related to the device reaching its maximum Device Life.
