# “Together, We Stop at Nothing!”

With every new year comes new opportunity, and perhaps none as great as what we see in front of us right now.

The pace of digital transformation has quickened beyond what any of us could've predicted, and it shows no sign of slowing. Together, we have empowered our customers with technology designed to meet this rapid pace of change from the edge to the data center, through distributed work and modern consumption, with cybersecurity, 5G infrastructure, digital experiences and data management.

With these innovations, we and our customers have the power and the opportunity to change lives, to help build a more efficient economy, as well as a fairer and more just society. Over the past year, we have connected remote workforces, ensured students remain engaged no matter their location, and enabled the heroic workers on the front lines of the fight against COVID-19. As we enter 2021, we're prepared for whatever tomorrow brings, and we're ready to seize tremendous growth opportunities with you, our incredible partner community.

Our partners are an extension of our team. Technology may be the enabler, but our partners are the true transformers. You open new markets and make tomorrow's technology a reality for customers today. Know that you have the full power of Dell Technologies behind you, and our commitment to partners is unwavering. Every investment we've made is designed to help you serve customers better, deliver solutions faster, and fuel growth while strengthening a purpose-driven culture committed to advancing human progress.

I am so grateful for your partnership, and I look forward to making this our best year yet. Together, we can drive incredible impact for our customers and communities. **Together, We Stop at Nothing!**

## Marketing Development Funds (MDF)

The Dell Technologies Partner Program offers earned Marketing Development Funds (MDF) for qualified OEM Solutions partners with predictable funding. This funding is accrued based on revenue / rates based on type and tier. Earned MDF serves to support a breadth of marketing activities.

To see more great program incentives, visit the Benefits page on the [Partner Portal](#).

# Training & Competencies

Dell Technologies offers training and competencies with the flexibility to specialize in certain Dell Technologies solution areas. These competencies, which span sales, pre-sales, technology and services, help ensure that you have the appropriate knowledge and skillset to meet your customers' needs.

- Individual and company recognition
- Same training as Dell Technologies sales teams
- Simplified learning paths with recognition of previous completed training for returning students

By completing competencies, you can benefit from increased sales due to greater expertise across Dell Technologies products, solutions, software and services. Additionally, as you complete more competencies, you will have the opportunity to progress to higher Program tiers and receive greater benefits along the way. Services Delivery Competencies allow you to build services delivery capabilities at the product portfolio level.

# Partner Engagement with Dell Technologies

## Rules of Engagement

Dell Technologies has Rules of Engagement that permeate the behavior of the entire organization.

**There are guiding principles for these rules of engagement, namely the integral role that you play in Dell Technologies overall success to delivering an excellent customer experience.**

Dell Technologies leadership team takes any infractions to these rules very seriously.

## Deal Registration

Dell Technologies is committed to rewarding you for driving new business through a fully integrated and streamlined process, as well as globally enforced Rules of Engagement. **The Deal Registration program helps protect those partners who actively promote Dell Technologies products and solutions to their customers.** When you register approved opportunities, you may receive incremental financial benefits.

# Purchasing & Financing

With Dell Technologies, simplicity and flexibility is at the forefront of what makes our Program and our partners extraordinary. Depending on location, OEM Solutions Partners have two routes to purchase from Dell Technologies: one is in a direct capacity and the other through one of Dell Technologies Partner Program's Authorized Distributors.

**Dell Technologies is proud to partner with the most elite set of Distributors in the market.**

Our Distributors span the globe, allowing us to grow and scale with our entire partner ecosystem. New OEM Solutions Partners who join the Dell Technologies Partner Program will procure through one of Dell Technologies Partner Program's Authorized Distributors, who play a critical role in the onboarding process.

Visit [Find A Partner](#) to find a Dell Technologies Partner Program Authorized Distributor in your country.

## Configuration and Purchasing Tools\*

Dell Technologies offers a variety of configuration, quoting and purchasing capabilities tailored to meet your procurement needs. These valuable resources are available for all partners within the Partner Portal so you can offer a more seamless experience to your customers.

## Dell Financial Services: Flexible Payment Solutions\*

Dell Financial Services (DFS) delivers innovative payment solutions for hardware, software and services, helping your customers get the solutions they need to keep their businesses running while addressing their cashflow challenges. It also enables your customers to align and scale the cost of their IT solutions with technology consumption and budget availability<sup>1</sup>. Flex on Demand (FOD) gives you the option to offer customers elastic capacity and pay only for the buffer capacity that is actually used. The FOD referral incentive offers an up-front payment up to 20% of the Committed Contract Value (CCV)<sup>2</sup>. Additionally, DFS can finance the total solution for your customers, including Dell Technologies and non-Dell hardware, software and services, as well as partner services.

## Working Capital Solutions (WCS)\*

In partnership with leading financial institutions, Dell Technologies offers extended payment terms and increased credit capacity to enable you to grow your business faster.
