

Dell Learning Hub

for Dell Partners

Competency-aligned training and Proven Professional certifications.

Pursue or Maintain Competencies

The Dell Learning Hub offers a consistent user experience, curated competency-aligned content, and flexible training access through the program year for individuals, multiple learners and teams to pursue and maintain competencies.

Refer to the following resources for competency requirements and details:

1. Services competencies

[Delivering Services](#) page on the Dell Technologies Partner Program [Services Competency Matrix](#) for product-specific competency requirements

2. Portfolio/Solutions Competencies

[Accepted Proven Professional Certifications](#) for a list of accepted certifications associated Recommended Training
