Flexible payment solutions for the technology you need

Why Technology Rotation?***

Pay for a period of time to access technology with option to purchase

Lifecycle management

Quickly deploy and pay for the use of the equipment, not ownership - Choice at the end of the cycle, and contribution to the circular economy and sustainability goals

Lower costs

Operationalize technology expenses and minimize hardware, IT management and support costs with no upfront investment and savings over time

Multiple structures

Predictable, easy to budget payments can be structured to align with forecasted growth, planned projects or to simplify payments for bundled solutions

Why Technology Ownership?***

Spread the cost of ownership over the useful life of the technology

Simple structures

Simple finance structure that makes it easy to budget and plan for spreading costs of ownership over time

Improve cash flow

Remove the burden of expensive up front costs for IT acquisition and preserves cash for other investments

Complete solutions

Provides affordable technology acquisition through budgeted payments for ownership of hardware, software and services
