Our 7000 Series features Dell Optimizer, built-in AI that learns and responds to the way you work to improve application performance, battery life and audio settings in the background. New ExpressConnect provides seamless Wi-Fi by pushing bandwidth to conferencing applications and joining the best access points. All controlled through one module, at no additional cost, to reduce lag and help you run at peak performance.

WORLD’S MOST INTELLIGENT BUSINESS PC

With Latitude innovation never stops. Work confidently on 4K or FHD options with ComfortView Plus that reduces harmful low blue light while maintaining exceptional color. IT can manage thermals within the BIOS. It’s not tied to software which saves on hard drive size, and saves IT management. Additionally, two pipes are better than one for removing heat, and our 2-in-1s have an adaptive thermal response, so they stay cooler on your lap than when on a desk. With our commitment to sustainability, waterborne paint is used on 100% of painted parts. Our 7000 Series PCs are EPEAT Gold registered.17

MAXIMIZE PRODUCTIVITY ON OUR SMALLEST PREMIUM PCs

The Latitude 7000 Series is redesigned to be smaller and smarter than ever. Available in premium carbon fiber or stunning aluminum, we now offer a 15.6” screen. Power on instantly by opening the lid, and log in via ExpressSign-in. Maximize productivity with an available 4K or FHD display with ComfortView Plus low blue light solution, and a new keyboard & touchpad. Up-level video calls with an FHD camera, premium speakers and mics and intelligent audio. Keep your work private with camera shutter and SafeScreen options.

STAY CONNECTED, STAY PRODUCTIVE ANYWHERE

Have a reliable, fast connection whether on Wi-Fi or LTE. Dell’s ExpressConnect provides seamless Wi-Fi no matter where you work. Intel® Wi-Fi 6 (Gig+) delivers nearly 3x faster speeds and next-gen security to PCs and wireless networks. No Wi-Fi, no problem. Stay connected with with eSIM options and 4G LTE. Intel® Evo™ vPro® verified to deliver businesses the built-in security features, manageability, and stability IT needs along with consistent responsiveness, long real-world battery life and instant wake for an exceptional user experience.

WORLD’S MOST INTELLIGENT BUSINESS PCs WITH BUILT-IN AI

Our 7000 Series features Dell Optimizer, built-in AI that learns and responds to the way you work to improve application performance, battery life and audio settings in the background. New ExpressConnect provides seamless Wi-Fi by pushing bandwidth to conferencing applications and joining the best access points. All controlled through one module, at no additional cost, to reduce lag and help you run at peak performance.
The world’s most intelligent PCs featuring Dell Optimizer

Latitude devices feature Dell Optimizer, a built-in artificial intelligence software that learns and adapts to your behavior to create a smarter, more personalized user experience. It automatically improves application performance, battery run time and more in the background, so you have fewer disruptions no matter where you’re working.

ExpressSign-in

Experience seamless Wi-Fi. New ExpressConnect automatically joins the strongest access point in the office and directs bandwidth to conferencing applications, wherever you work.

ExpressResponse

With Intel® Adaptix™ Technology, prioritize your most important apps, so they open faster and perform better.

ExpressCharge

Get to work fast with our PC proximity sensor enabled by Intel® Context Sensing Technology that detects your presence to instantly wake and log you in via the IR camera and Windows Hello, all without lifting a finger. It locks when you walk away, so your work stays safer.

Dell Optimizer extends runtime and improves battery performance by adapting to your patterns. ExpressCharge Boost delivers up to 35% charge in about 20 minutes, or up to 80% charge in an hour with ExpressCharge.

Intelligent Audio

Collaborate like you’re in the same room. Intelligent Audio enhances your audio quality and reduces background noises, so you can hear and be heard, creating a better conference experience for all.

Recommended accessories
LATITUDE 7320 | 7420 | 7520

ON-THE-GO

- **DELL PREMIUM ACTIVE PEN | PN579X**
  (compatible with 2-in-1)
  Easily take notes and stay organized whether in meetings or on the go.

- **DELL PREMIUM RECHARGEABLE MOBILE WIRELESS MOUSE | MS7421W**
  Long lasting rechargeable mouse with a battery life of up to 6 months on a full charge.

- **DELL USB-C MOBILE ADAPTER | DA310**
  Compact and portable 7-in-1 USB-C mobile adapter provides superb video, data connectivity and up to 90W power pass-through to your PC.

- **DELL PREMIER SLIM BACKPACK 15 | PE1520PS**
  Travel light while making a positive impact on the environment by selecting the compact, eco-friendly backpack with EVA foam cushioning to protect your laptop from impact.

AT THE DESK

- **DELL THUNDERBOLT DOCK | WD19TB**
  Work at full speed with Dell’s powerful Thunderbolt Dock. Charge your system faster, support up to two 4K displays and connect to your peripherals via a single cable.

- **DELL DOCKING STATION MOUNTING KIT | MK15**
  Easily attach your Dell Dock to the Dell Dock Mounting Kit and mount it behind a monitor, to a wall or under the desk for a clutter-free workspace.

- **DELL DUAL MONITOR ARM | MDA20**
  This comprehensive dual monitor and system mounting solution keeps your desk clutter free. It is the worlds first monitor arm that offers swivel angle adjustment with a flip of the switch.

- **DELL ULTRASHARP 27 4K USB-C MONITOR | U2720Q**
  Experience captivating details and true-to-life color reproduction on this brilliant 27” 4K monitor with a wide color coverage.

- **DELL ULTRASHARP 27 4K USB-C MONITOR | U2720Q**
  Designed to work seamlessly across 3 devices, this compact keyboard mouse combo keeps your desk clutter-free and lets you stay productive with up to 36 months of battery life.

- **DELL DUAL MONITOR ARM | MDA20**
  This comprehensive dual monitor and system mounting solution keeps your desk clutter free. It is the worlds first monitor arm that offers swivel angle adjustment with a flip of the switch.

- **DELL MOBILE ADAPTER SPEAKERPHONE | MH3021P**
  Multiport adapter with integrated speakerphone offers an all-in-one connectivity and conferencing solution.

- **JABRA EVOLVE2 85**
  Engineered to keep you focused, this headset is perfect for virtual collaboration. Experience all-day comfort with leather-feel ear cushions and on-the-ear design.

Experience a new way to work with Dell Technologies Unified Workspace. Intelligence built-in. Modernization built-on.

We know that having the right device is just the start to a great workday. Employees need intelligent, intuitive and responsive experiences that allow them to work productively and without interruption. Dell Technologies Unified Workspace is transforming the employee experience and ensuring IT has proactive, predictive and automated solutions to deliver on the promise of a modern workday, while simplifying their ability to deploy, secure, manage and support their environment.

ProDeploy in the Unified Workspace allows IT to move away from traditional, high-touch, manual deployment, and instead, ship devices preconfigured with company apps and settings from the Dell factory directly to their end users—having end users up and working on day one.

Dell Trusted Devices are a secure foundation for the modern mobile workforce. Our comprehensive family of endpoint security solutions work together to secure the device both above and below the OS, giving IT confidence and enabling end users to remain productive.

With Dell’s modern end-point management solutions, we can accelerate uninterrupted workflow with automation, integration and optimization from one trusted partner.

AI-driven predictive, proactive support keeps end-users working at full speed and IT admins looking ahead by virtually eliminating unplanned downtime.

Sleek looks, enhanced productivity

Based on Dell internal analysis of battery life usage model calculations and 3 million keystrokes per year, Nov 2020. Results vary depending on usage and computing conditions.

Based on Dell internal analysis, November 2020.

Based on Dell analysis, October 2020.

Based on Dell internal analysis, November 2019.

Best network selection based on signal strength, channel congestion, router type and others. Network suggestions based on user credentials.

ExpressSign-in available on Latitude 9000, 7000 and 5000 series. See product details for availability.

ExpressResponse must be enabled in the Applications feature. DO learns how user uses the selected application(s) over several hours. Based on Dell testing using Sysmark 2018 benchmark running productivity applications, March 2020. Improvement will vary based on product configuration, use, application and other factors.

ExpressSign-in available on Latitude 9000, 7000 and 5000 series. See product details for availability.

ExpressCharge with Dell Optimizer (DO) requires 14 days to learn the user's behavior, then dynamically applies appropriate battery settings. DO Adaptive Battery setting must be enabled in the Power feature settings labeled “Adaptive Battery Performance”. Improvement will vary based on product configuration, use, software, operating conditions, power management settings and other factor improvements may decrease over time. System performance may be impacted. ExpressCharge can recharge system battery from 0% up to 80% within 60 minutes. After charging has reached 80% capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging time may vary +/-10% due to system tolerance. Based on Dell internal analysis of battery life usage model calculations and 3 million keystrokes per year, Nov 2019. Results vary depending on usage and computing conditions.

Best network selection based on signal strength, channel congestion, router type and others. Network suggestions based on user credentials.

ExpressCharge Boost can recharge system battery from 0% up to 95% within 90 minutes when system is powered-off and battery temperature is between 95-45 degrees C. With ExpressCharge mode enabled, the system battery can then continue charging up to 80% within 60 minutes. After charging has reached 80% capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging time may vary +/-10% due to system tolerance.

Dell services: Availability and terms of Dell services vary by region. For more information, visit www.dell.com/servicesdescriptions.

Computrace not a Dell offer. Certain conditions apply. For full details, see terms and conditions at www.absolute.com/en/about/legal/agreements.

1 GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
